CONTRACT AMENDMENT

Contract Number:

02702

Date Issued:

October 24, 2008

Amendment Number:

10a

Date Effective:

October 30, 2008

This Contract Amendment is issued under the provisions of the State Contract identified above. The changes authorized are within the scope of the original contract. All rights and obligations of the parties shall be subject to and governed by the terms of the original contract including any subsequent amendments, which are hereby incorporated by reference.

Purpose of Amendment

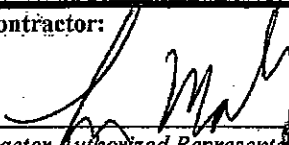

Purpose:

Motorola agrees to extend the current contract term for 60 days through December 29, 2008 so that some contract language can be modified or clarified for new contract term that starts October 29, 2008. After the identified contract language has been modified, Motorola offers to extend their participation on the WSCA contract for the remainder of the new twelve month term ending October 29, 2009 (or until a new contract is put into place). This current term extension maintains all current contract terms and conditions until a new agreement has been reached, signed and approved.
