This does not preclude a person from working under contract for longer than six months if otherwise authorized by law. Persons that have worked as a state temporary may be retained subsequently as a contract worker in a different department.

10-4(F). A personal services contract shall not create an employment relationship.

iv. The State of Colorado, the State Purchasing Office is a Colorado PERA affiliated employer. If resolution cannot be reached, then the State Purchasing Office should be notified to assist in reaching resolution to the satisfaction of all parties involved. Failure to maintain satisfactory performance after notice will be sufficient cause for notice of breach to Contractor.

vii. Contractor is required to provide a local or toll-free number and email address for statewide use. Contractor shall notify the State's principal representative identified in §16 or named successor of any change to contractor's name, address or Primary Point of Contact.

viii. All Contractor marketing notices and literature for distribution to Ordering Entities must be submitted to SPO for advance approval. Maintenance of mailing lists and the production and distribution of pre-approved marketing notices and literature is the responsibility of the contractor at its expense.

The State shall, in accordance with the provisions of this §7, pay Contractor in the amounts and using the methods set forth below:

### **A. Maximum Amount**

Ordering Entities shall place Orders with the Contractor with a purchase order. The maximum amount payable under the contract shall be determined by the amount of these purchase orders. No funds will be encumbered by DPA against this Price Agreement.

### **B. Payment**

All Ordering Entities issuing valid Orders will be bound by the terms and conditions of the Contract, including, without limitation, the obligation to pay Contractor for Services.

#### **i. Rates.**

The Ordering Entity shall pay Contractor at the hourly rates (not-to-exceed the ceiling amount) for services ordered on an hourly basis, as set forth in **Exhibit A Rates**. Unless otherwise specified in the order, payments will be made based on the monthly submission of statements to the Ordering Entity detailing the dates, quantity, and description of services performed and Position Descriptions placed, bill rate, and Purchase Order number. Incorrect payments to Contractor due to omission, error, fraud, or defalcation may be recovered from the Contractor by deduction from subsequent payments under orders or other contracts between the Ordering Entity and the contractor. The State Purchasing Office reserves the right to post on the State Price Agreement website [www.gssa.state.co.us](http://www.gssa.state.co.us) **Exhibit A Rates** for use by Ordering Entities.

Overtime is any time worked by a temporary leased worker that is more than 40 hours per week and shall be paid at time and a half. Overtime must be approved in writing in advance by the Ordering Entity and is permitted in extenuating circumstances on a case by case basis.

Temporary leased workers are not eligible for holiday pay, unless the Ordering Entity purchase order specifically authorizes such pay.

Contractor shall have an accounting and billing system and the ability to provide Ordering Entities with employee identifier numbers on invoices, if requested, along with a toll free or local phone number for agency inquiries on billing problems.

The terms and conditions on any invoices, Contractor time sheets, or other forms, including but not limited to indemnification, limitation of liability, or cancellation fees, shall be void and of no effect against the State of Colorado or any of its employees. The Contractor's and State's rights and obligations shall be solely governed by the terms and conditions of this Price Agreement. Any employee's signature on Contractor's forms shall be effective only to establish receipt of services.

## **ii. Rate Changes**

Pricing must remain firm for the first 12 months of the contract. Any price increase requested shall be made in writing to the State Purchasing Office 30 days prior to the anticipated increase and shall be substantiated by verifiable Contractor cost increases. Such requests shall contain complete documentation and cost justification for the requested increase. Increases shall become effective once approved by the State Purchasing Office.

If price increases exceed what the State Purchasing Office considers to be normal or expected, the State reserves the right to seek additional competition and/or purchase from other sources.

Failure to notify the State Purchasing Office of price increases shall result in Contractor providing services at the original bid price and the Price Agreement may be cancelled, subject to proper notice for breach under §14.

## **iii. Renewal of Agreement.**

In the event of renewal of this Price Agreement, or any amendment of its terms (including prices), unless otherwise specified in the order, the Contractor shall perform services in accordance with the terms of the Price Agreement current at the time of the order, and invoice at the rates in the Price Agreement in effect at the time services are performed under the order. If the parties have agreed to completion of a deliverable within an agreed not-to-exceed ceiling amount, unless otherwise agreed the contractor shall be paid at the rates in the Price Agreement in effect at the time the order was placed.

## **iv. Discounts.**

Any applicable cash discount period or delinquency period will start from the date of receipt of an acceptable invoice, or from the date of receipt of acceptable Services at the specified destination by an authorized representative of the Ordering Entity, whichever is later.

## **v. Discount/Delinquency Period.**

Any applicable cash discount period or delinquency period will start from the date of receipt of an acceptable invoice, or from the date of receipt of acceptable services at the specified destination by an authorized agency representative, whichever is later.

**vi. Interest.**

Payments shall be submitted to Contractor at the address shown on the invoice, as long as Contractor has exercised due diligence in notifying the State Purchasing Office of any changes to that address. State law and regulations provide that vendors will be paid by State agencies within forty-five days after receipt of products or services and a correct notice of amount due, unless otherwise agreed to by special conditions specified in the order. A State liability not paid within forty-five days is considered delinquent and, unless otherwise agreed to, interest on the unpaid balance shall be paid beginning with the forty-sixth day at the rate of one percent per month on the unpaid balance until paid in full. A liability shall not arise if a good faith dispute exists as to the agency's obligation to pay all or a portion of the liability. Vendors shall invoice State Ordering Entities separately for accrued interest on delinquent amounts due. The billing shall reference the delinquent payment, the number of days interest to be paid, and the applicable interest date. (Section 24-30-202(24), C.R.S., as amended)

**vii. Remittance.**

Payments from Ordering Entities will be remitted by mail or via the State "Purchasing Card," or as otherwise agreed by Contractor and such Ordering Entity.

**viii. Advance, Interim and Final Payments**

Any advance payment allowed under any Order issued by a State Agency against this Price Agreement shall comply with State Fiscal Rules and be made in accordance with the provisions of this Price Agreement or such Exhibit. Contractor shall initiate any payment requests by submitting invoices to the State Agency in the form and manner set forth and approved by the State Agency. Other Ordering Entities may have their own fiscal procedures regarding advance payments.

**ix. Available Funds-Contingency-Termination**

The State is prohibited by law from making commitments beyond the term of the State's current fiscal year. Therefore, Contractor's compensation beyond the State's current Fiscal Year is contingent upon the continuing availability of State appropriations as provided in the Colorado Special Provisions. If federal funds are used to fund work engaged by Ordering Entities under this Price Agreement, in whole or in part, the State's performance hereunder is contingent upon the continuing availability of such funds. Payments pursuant to work engaged by Ordering Entities under this Price Agreement shall be made only from available agency funds encumbered for work engaged by Ordering Entities under this Price Agreement, and the State's liability for such payments shall be limited to the amount remaining of such encumbered funds. If State or federal funds are not appropriated, or otherwise become unavailable to fund any work engaged by Ordering Entities under this Price Agreement, the State Purchasing office may terminate this Price Agreement immediately, in whole or in part, without further liability in accordance with the provisions hereof.

**x. Erroneous Payments**

At the State's sole discretion, payments made to Contractor in error for any reason, including, but not limited to overpayments or improper payments, and unexpended or excess funds received by Contractor, may be recovered from Contractor by deduction from subsequent payments under this Contract or other contracts, grants or agreements between the State and Contractor or by other appropriate methods and collected as a debt due to the State. Such funds shall not be paid to any person or entity other than the State.

**xi. Tax Exempt Status**

State agencies generally are tax-exempt and are not liable for any sales, use, excise, property, or other taxes imposed by any federal, state or local government tax authority. The State's FEIN # is 84-730123K. The State's tax exemption number is 98-02565. The State is also not liable for any taxes of

Contractor for franchise or related to the income of the Contractor. No taxes of any kind shall be charged to the State.

Contractor is hereby notified that when services are purchased for the benefit of State Agencies, some Political Subdivisions require Contractor to pay sales or use taxes even though the ultimate product or service is provided to the State or a State Agency. These sales or use taxes will not be reimbursed by the State Agency, nor will any prices or rates in this Price Agreement be adjusted on account of such taxes. Contractor will accord the same tax free treatment to Political Subdivisions to the extent that they establish like exemption from taxes.

If the Work fails to conform to the requirements of this Contract, the State may require Contractor promptly to bring the Work into conformity with Contract requirements, at Contractor's sole expense. If the Work cannot be brought into conformance by re-performance or other corrective measures, the State may require Contractor to take necessary action to ensure that future performance conforms to Contract requirements and exercise the remedies available under this Contract, at law or in equity, in lieu of or in conjunction with such corrective measures.

Confidential information shall not be retained in any files or otherwise by Contractor or its agents, except as permitted in this Price Agreement or approved in writing by the Ordering Entity.

**D. Disclosure-Liability**

Disclosure of Ordering Entity records or other confidential information by Contractor for any reason may be cause for legal action by third parties against Contractor, the State or their respective agents. Contractor shall indemnify, save, and hold harmless the Ordering Entity, its employees and agents, against any and all claims, damages, liability and court awards including costs, expenses, and attorney fees and related costs, incurred as a result of any act or omission by Contractor, or its employees, agents, Subcontractors, or assignees pursuant to this **§10.**

**11. CONFLICTS OF INTEREST**

Contractor shall not engage in any business or personal activities or practices or maintain any relationships which conflict in any way with the full performance of Contractor's obligations hereunder. Contractor acknowledges that with respect to this Contract, even the appearance of a conflict of interest is harmful to the State's interests. Absent the State's prior written approval, Contractor shall refrain from any practices, activities or relationships that reasonably appear to be in conflict with the full performance of Contractor's obligations to the State hereunder. If a conflict or appearance exists, or if Contractor is uncertain whether a conflict or the appearance of a conflict of interest exists, Contractor shall submit to the State a disclosure statement setting forth the relevant details for the State's consideration. Failure to promptly submit a disclosure statement or to follow the State's direction in regard to the apparent conflict constitutes a breach of this Contract.

**12. REPRESENTATIONS AND WARRANTIES**

Contractor makes the following specific representations and warranties, each of which was relied on by the State in entering into this Contract.

**A. Standard and Manner of Performance**

Contractor shall perform its obligations hereunder in accordance with the highest standards of care, skill and diligence in Contractor's industry, trade, or profession and in the sequence and manner set forth in this Contract.

**B. Legal Authority – Contractor Signatory**

If requested by the State, Contractor shall provide the State with proof of Contractor's authority to enter into this Contract within 15 days of receiving such request.

**C. Licenses, Permits, Etc.**

Contractor represents and warrants that as of the Effective Date it has, and that at all times during the term hereof it shall have and maintain, at its sole expense, all licenses, certifications, approvals, insurance,

permits, and other authorizations required by law to perform its obligations hereunder. Contractor warrants that it shall maintain all necessary licenses, certifications, approvals, insurance, permits, and other authorizations required to properly perform this Contract, without reimbursement by the State or other adjustment in Contract Funds. Additionally, all employees, agents, and Subcontractors of Contractor performing Services under this Contract shall hold all required licenses or certifications, if any, to perform their responsibilities. Contractor, if a foreign corporation or other foreign entity transacting business in the State of Colorado, further warrants that it currently has obtained and shall maintain any applicable certificate of authority to transact business in the State of Colorado and has designated a registered agent in Colorado to accept service of process. Any revocation, withdrawal or non-renewal of licenses, certifications, approvals, insurance, permits or any such similar requirements necessary for Contractor to properly perform the terms of this Contract is a material breach by Contractor and constitutes grounds for termination of this Contract.

Contractor shall show proof of such insurance satisfactory to the State, if requested by the State. Contractor shall require each contract with a Subcontractor that is a public entity, to include the insurance requirements necessary to meet such Subcontractor's liabilities under the GIA.

##### **ii. Non-Public Entities**

If Contractor is not a "public entity" within the meaning of the GIA, Contractor shall obtain and maintain during the term of this Contract insurance coverage and policies meeting the same requirements set forth in §13(B) with respect to Subcontractors that are not "public entities".

#### **B. Contractors - Subcontractors**

Contractor shall require each contract with Subcontractors other than those that are public entities, providing Goods or Services in connection with this Contract, to include insurance requirements substantially similar to the following:

If any aggregate limit is reduced below \$1,000,000 because of claims made or paid, Subcontractor shall immediately obtain additional insurance to restore the full aggregate limit and furnish to Contractor a certificate or other document satisfactory to Contractor showing compliance with this provision.

##### **iii. Automobile Liability**

Automobile Liability Insurance covering any auto (including owned, hired and non-owned autos) with a minimum limit of \$1,000,000 each accident combined single limit.

completed operations on endorsements CG 2010 11/85, CG 2037, or equivalent) required of Contractor and any Subcontractors hereunder.

**v. Primacy of Coverage**

Coverage required of Contractor and Subcontractor shall be primary over any insurance or self-insurance program carried by Contractor or the State.

**vi. Cancellation**

**vii. Subrogation Waiver**

All insurance policies in any way related to this Contract and secured and maintained by Contractor or its Subcontractors as required herein shall include clauses stating that each carrier shall waive all rights of recovery, under subrogation or otherwise, against Contractor or the State, its agencies, institutions, organizations, officers, agents, employees, and volunteers.

**C. Certificates**

Contractor and all Subcontractors shall provide certificates showing insurance coverage required hereunder to the State within seven business days of the Effective Date of this Contract. No later than 15 days prior to the expiration date of any such coverage, Contractor and each Subcontractor shall deliver to the State or Contractor certificates of insurance evidencing renewals thereof. In addition, upon request by the State at any other time during the term of this Contract or any subcontract, Contractor and each Subcontractor shall, within 10 days of such request, supply to the State evidence satisfactory to the State of compliance with the provisions of this §13.

**14. BREACH**

**A. Defined**

In addition to any breaches specified in other sections of this Price Agreement, the failure of either Party to perform any of its material obligations hereunder, in whole or in part or in a timely or satisfactory manner, constitutes a breach. The institution of proceedings under any bankruptcy, insolvency, reorganization or similar law, by or against Contractor, or the appointment of a receiver or similar officer for Contractor or any of its property, which is not vacated or fully stayed within 20 days after the institution or occurrence thereof, shall also constitute a breach.

**B. Notice and Cure Period**

In the event of a breach, notice of such shall be given in writing by the aggrieved Party to the other Party in the manner provided in §16. If such breach is not cured within 30 days of receipt of written notice, or if a cure cannot be completed within 30 days, or if cure of the breach has not begun within 30 days and pursued with due diligence, the State may exercise any of the remedies set forth in §15. Notwithstanding anything to the contrary herein, the State, in its sole discretion, need not provide advance notice or a cure period and may immediately terminate this Contract in whole or in part if reasonably necessary to preserve public safety or to prevent immediate public crisis.

**15. REMEDIES**

If Contractor is in breach under any provision of this Price Agreement, the State shall have all of the remedies listed in this §15 in addition to all other remedies set forth in other sections of this Contract following the notice and cure period set forth in §14(B). The State may exercise any or all of the remedies available to it, in its sole discretion, concurrently or consecutively.

**A. Termination for Cause and/or Breach**

The State may terminate this entire Price Agreement or any part of this Price Agreement. Exercise by the State of this right shall not be a breach of its obligations hereunder. Contractor shall continue performance of this Price Agreement to the extent not terminated, if any.

**i. Obligations and Rights**

To the extent specified in any termination notice, Contractor shall not incur further obligations or render further performance hereunder past the effective date of such notice, and shall terminate outstanding orders and subcontracts with third parties. However, Contractor shall complete and deliver

to the State all Work, Services and Goods not cancelled by the termination notice and may incur obligations as are necessary to do so within this Contract's terms. At the sole discretion of the State, Contractor shall assign to the State all of Contractor's right, title, and interest under such terminated orders or subcontracts. Upon termination, Contractor shall take timely, reasonable and necessary action to protect and preserve property in the possession of Contractor in which the State has an interest. All materials owned by the State in the possession of Contractor shall be immediately returned to the State. All Work Product, at the option of the State, shall be delivered by Contractor to the State and shall become the State's property.

**ii. Payments**

The State shall reimburse Contractor only for accepted performance up to the date of termination. If, after termination by the State, it is determined that Contractor was not in breach or that Contractor's action or inaction was excusable, such termination shall be treated as a termination in the public interest and the rights and obligations of the Parties shall be the same as if this Contract had been terminated in the public interest, as described herein.

**iii. Damages and Withholding**

Notwithstanding any other remedial action by the State, Contractor shall remain liable to the State for any damages sustained by the State by virtue of any breach under this Contract by Contractor and the State may withhold any payment to Contractor for the purpose of mitigating the State's damages, until such time as the exact amount of damages due to the State from Contractor is determined. The State may withhold any amount that may be due Contractor as the State deems necessary to protect the State against loss, including loss as a result of outstanding liens, claims of former lien holders, or for the excess costs incurred in procuring similar goods or services. Contractor shall be liable for excess costs incurred by the State in procuring from third parties replacement Work, Services or substitute Goods as cover.

**B. Early Termination in the Public Interest**

The State is entering into this Contract for the purpose of carrying out the public policy of the State of Colorado, as determined by its Governor, General Assembly, and/or Courts. If this Contract ceases to further the public policy of the State, the State, in its sole discretion, may terminate this Contract in whole or in part. Exercise by the State of this right shall not constitute a breach of the State's obligations hereunder. This subsection shall not apply to a termination of this Contract by the State for cause or breach by Contractor, which shall be governed by §15(A) or as otherwise specifically provided for herein.

**i. Method and Content**

The State shall notify Contractor of such termination in accordance with §16. The notice shall specify the effective date of the termination and whether it affects all or a portion of this Contract.

**ii. Obligations and Rights**

Upon receipt of a termination notice, Contractor shall be subject to and comply with the same obligations and rights set forth in §15(A)(i).

**iii. Payments**

If this Contract is terminated by the State pursuant to this §15(B), Contractor shall be paid an amount which bears the same ratio to the total reimbursement under this Contract as Contractor's obligations that were satisfactorily performed bear to the total obligations set forth in this Contract, less payments previously made. Additionally, if this Contract is less than 60% completed, the State may reimburse Contractor for a portion of actual out-of-pocket expenses (not otherwise reimbursed under this Contract) incurred by Contractor which are directly attributable to the uncompleted portion of Contractor's obligations hereunder; provided that the sum of any and all reimbursement shall not exceed the maximum amount payable to Contractor hereunder.

**C. Termination of an Order**

An Ordering Entity through its designated procurement officer or other authorized representative may terminate an Order for default, and such termination shall be governed by this provision.

**i. Default**

If Contractor refuses or fails to timely perform any of its obligations under the provisions of an Order, with such diligence as will ensure its completion within the time specified in the Order, the procurement officer may notify Contractor in writing of the non-performance, and if not corrected within

thirty (30) days of issuance of such notice, such officer may terminate Contractor's right to proceed with the Order or such part of the Order as to which there has been such delay or a failure to properly perform. Contractor shall continue performance of the Order to the extent it is not terminated.

**ii. Contractor's Duties**

Notwithstanding termination of the contract and subject to any directions from the procurement officer, Contractor shall take timely, reasonable, and necessary action to protect and preserve property in the possession of Contractor in which the purchasing agency has an interest (if any).

**iii. Compensation**

Payment for acceptable Services performed and accepted by the Purchasing Entity shall be at the Contract price. The Purchasing Entity may withhold amounts due to Contractor as the procurement officer deems to be necessary to protect the Purchasing Entity against loss because of outstanding liens or claims of former lien holders and to reimburse the Purchasing Entity for the excess costs incurred in procuring similar services.

**iv. Erroneous Termination for Default**

If after notice of termination of Contractor's right to proceed under the provisions of this paragraph, it is determined for any reason that Contractor was not in default under the provisions of this paragraph, or that the delay was excusable, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to the termination for the public interest section.

**v. Terminate an Order for the Public Interest**

Unless otherwise agreed, the Procurement Officer, when the interests of the Ordering Entity so require, may terminate any Order, in whole or in part, for the public interest of the Ordering Entity, provided only that such termination will not relieve such Ordering Entity from its obligations with respect to any Services already delivered to or used by such Ordering Entity. The procurement officer shall give at least thirty (30) days prior written notice of the termination to Contractor specifying the part of the Order terminated and when termination becomes effective. Termination for the public interest of all or any portion of an Order shall not constitute a breach of this Contract by the Ordering Entity.

**(a) Contractor's Obligations** Contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination. Contractor will stop work to the extent specified. Contract must still complete and deliver to the Ordering Entity the work not terminated (if any) by the notice of termination.

**(b) Compensation** Contractor shall be entitled to compensation as follows:

Contractor shall submit a termination claim specifying the amounts due because of the termination for the public interest together with cost or pricing data bearing on such claim.

**D. Remedies Not Involving Termination**

The State, in its sole discretion, may exercise one or more of the following remedies in addition to other remedies available to it:

**i. Suspend Performance**

Suspend Contractor's performance with respect to all or any portion of this Contract pending necessary corrective action as specified by the State without entitling Contractor to an adjustment in price/cost or performance schedule. Contractor shall promptly cease performance and incurring costs in accordance with the State's directive and the State shall not be liable for costs incurred by Contractor after the suspension of performance under this provision.

**ii. Withhold Payment**

Withhold payment to Contractor until corrections in Contractor's performance are satisfactorily made and completed.

**iii. Deny Payment**

Deny payment for those obligations not performed, that due to Contractor's actions or inactions, cannot be performed or, if performed, would be of no value to the State; provided, that any denial of payment shall be reasonably related to the value to the State of the obligations not performed.

**iv. Removal**

Notwithstanding any other provision herein, the State may demand immediate removal of any of Contractor's employees, agents, or Subcontractors whom the State deems incompetent, careless, insubordinate, unsuitable, or otherwise unacceptable, or whose continued relation to this Contract is deemed to be contrary to the public interest or the State's best interest.

#### **v. Intellectual Property**

If Contractor infringes on a patent, copyright, trademark, trade secret or other intellectual property right while performing its obligations under this Contract, Contractor shall, at the State's option **(a)** obtain for the State or Contractor the right to use such products and services; **(b)** replace any Goods, Services, or other product involved with non-infringing products or modify them so that they become non-infringing; or, **(c)** if neither of the foregoing alternatives are reasonably available, remove any infringing Goods, Services, or products and refund the price paid therefore to the State.
