CNG Attachment

Dedicated Compressed Natural Gas (CNG) System (complete vehicle and system ready) (Requires (LC8) Gaseous 6.0L V8 SFI Engine, (V10) Cold Climate Package, (ZX9) spare tire delete and (Z82) trailer equipment. Includes (UFM) 3-tank configuration fuel system. May upgrade with available (UFP) 4-tank configuration fuel system. Not available with (C69) rear air conditioning or (C36) rear auxiliary heater.)

The upgraded engine, cold climate package, spare tire delete and trailer equipment has been included in the CNG total amount on the option sheet. The pricing is for the (UFM) three-tank system, call for pricing on the four tank system.

(UFM) Three-tank system provides a range of up to 200 miles. Allows for use of complete cargo area.

(UFP) Four-tank system provides a range of up to 300 miles. This system adds a single tank in the driver's side cargo area, just inboard of the wheel well.

Please call if you require additional information.
