The Contractor shall be responsible for requesting and obtaining each Ordering Entity's FEIN and tax exemption number, and documentation at the time an Order is placed or upon Contractor's request. The State is not liable for any taxes assessed against Contractor for franchise or licensing, or related to the income of the Contractor. No taxes of any kind shall be charged to the State.

C. Invoicing/Billing

i. Invoices.

- a) Contractor shall have an accounting and billing system and provide Ordering Entities with an invoice when purchases are made. Contractor shall invoice Ordering Entities for Goods and/or Services provided to and accepted by the Ordering Entity, at the prices listed in this Addendum, as amended. A statement showing transactions for a period is not an invoice, though the Contractor may provide such documents as information to the Ordering Entity on a regular basis or upon the request of an Ordering Entity. Unless otherwise specified in the Order, Ordering Entities will pay Contractor based on submission of invoices to the Ordering Entity that detail the dates, quantity, and description of Goods delivered and/or Services performed, the billing rate, the Order number, the Addendum number and the NASPO ValuePoint Master Agreement number.
 - b) The terms and conditions on any invoice, statement, Contractor time sheet, or other form (e.g. Contractor's website and/or online terms), including, but not limited to indemnification, limitation of liability, or cancellation fees, shall be void and of no effect against the State or any Ordering Entity. The Contractor's and Ordering Entities' rights and obligations shall be governed solely by the terms and conditions of this Addendum. Any Ordering Entity employee's signature on Contractor's forms shall be effective only to establish receipt of Goods or Services. The Contractor shall provide a toll free number for Ordering Entity inquiries on billing problems.
- ii. **Renewal of Addendum.** In the event of renewal of this Addendum, or any amendment of its terms (including prices), unless otherwise specified in an Order, the Contractor shall provide Goods and/or Services in accordance with the terms of this Addendum current at the time of an Order, and invoice the Ordering Entity at the pricing in effect at the time the Order was placed.
 - iii. **Remittance.** Ordering Entities will remit payments by mail or via State procurement credit cards or as otherwise agreed by Contractor and such Ordering Entities. The Ordering Entities shall send payments to Contractor at the address shown on the invoice if it is the same address recorded in this Addendum or subsequently provided to SPO in writing. Contractor must provide written notice (email is acceptable) of a remittance change to the SPO within five (5) business days of a change.
 - iv. **Payment by State Ordering Entities; Interest.** Contractor shall allow State Ordering Entities a minimum of thirty (30) days after receipt of an invoice to pay for products or Services provided by Contractor. State law and regulations provide that State payments made within forty-five (45) days are not considered delinquent, and unless otherwise agreed, State Ordering Entities will pay interest on any unpaid balance beginning on the 46th day at the rate of one (1) percent per month on any unpaid balance until paid in full; provided, however, that interest shall not accrue on unpaid amounts that are the subject of a good faith dispute regarding the obligation to pay all or a portion of the liability. Contractor shall invoice State Ordering Entities separately for accrued interest on delinquent amounts due. The billing shall reference the delinquent payment, the number of day's interest to be paid, and the applicable interest date. (**§24-30-202(24), CRS, as amended.**)

- v. **Payment by Colorado Political Subdivisions, Non-Profit Organizations, or Other Non-State Eligible Entities.** For Orders placed by non-State Ordering Entities (Political Subdivisions, Non-Profit Organizations, or other non-State eligible entities), terms for payment shall be specified in the written Orders. Contractor shall invoice non-State Ordering Entities directly. Ordering Entities generally remit payment in a timely manner within thirty (30) days of invoice; however, it is the Contractor's responsibility to confirm all payment terms with each non-State Ordering Entity at the time an Order is placed.
- vi. **Maximum Amount.** State Ordering Entities shall place Orders with the Contractor using a purchase or delivery Order, or State Contract as required by State law, regulations, and the State Fiscal Rules. All non-State Ordering Entities shall place Orders with a purchase Order or other contracting document acceptable to the Contractor. No Contract Funds will be encumbered by the State Department of Personnel & Administration against this Addendum unless an Order is placed by that agency. Ordering Entities shall state the maximum amount available for the purchase of Goods and/or Services under each Order.
- vii. **Advance, Interim and Final Payments.** Any advance payment allowed under any Order issued by a State Agency against this Addendum shall comply with State Fiscal Rules and be made in accordance with the provisions of this Addendum and such Order. Non-State Ordering Entities may have their own fiscal procedures regarding advance payments, which may be agreed upon in writing between the non-State Ordering Entity and the Contractor.
- viii. **Available Funds-Contingency-Termination.**
 - a) State Ordering Entities are prohibited by law from making commitments beyond the term of the State's current Fiscal Year. Therefore, Contractor's compensation beyond the State's current Fiscal Year is contingent upon the continuing availability of State appropriations as provided in the **Colorado Special Provisions, §18** hereof. If federal funds are used to pay for Work ordered by State Ordering Entities under this Addendum, completely or in part, the State's performance hereunder is contingent upon the continued availability of such Contract Funds. State Ordering Entities shall only make payments for Work ordered by a State Ordering Entity under this Addendum from available State Ordering Entity Contract Funds that have been encumbered for that Work, and the State Ordering Entity's liability for such payments shall be limited to the amount remaining of such encumbered Contract Funds. If State or federal funds are not appropriated, or otherwise become unavailable to pay for any Order placed by a State Ordering Entity under this Addendum, the State Ordering Entity may terminate the Order immediately, in whole or in part, without further liability in accordance with the provisions hereof.
 - b) A Political Subdivision Ordering Entity may have its own fiscal requirements regarding available funds for payment of Orders, which may be agreed upon in writing between the non-State Ordering Entity and the Contractor.
- ix. **Erroneous Payments.**
 - a) At the State's sole discretion, State Ordering Entity payments made to the Contractor in error for any reason, including, but not limited to, omission, error, fraud, or defalcation, over-payments or improper payments, and un-expended or excess funds received by Contractor, may be recovered from Contractor by deduction (set-off) from subsequent payments for purchases under this Addendum or other Contracts, grants or agreements between the State and Contractor or by other appropriate methods, or collected as a debt due to the State. Such funds shall not be paid to any person or entity other than the State.

- b) Non-State Ordering Entities may have their own fiscal requirements regarding erroneous payments, which may be agreed upon in writing between the non-State Ordering Entity and the Contractor.
- x. **Discount/Delinquency Period.** Any applicable cash discount period or delinquency period shall start from the date of receipt of an acceptable invoice, or from the date of receipt of acceptable Goods or Services at the specified destination by an authorized Ordering Entity representative; whichever is later.

6. REPORTING – NOTIFICATION

Damages and Withholding.** Notwithstanding any other remedial action by the State or an Ordering Entity, Contractor shall remain liable to the State or the Ordering Entity as may be appropriate for any damages sustained by the State or the Ordering Entity by virtue of any breach under this Addendum by Contractor. An Ordering Entity may withhold any payment to Contractor for mitigating the Ordering Entity's damages, until the exact amount of damages due to the Ordering Entity from Contractor is determined. An Ordering Entity may withhold any amount that may be due Contractor as the Ordering Entity deems necessary to protect it against loss, including loss as a result of outstanding liens, claims of former lien holders.

- ii. **Obligations and Rights.** Upon receipt of a termination notice, Contractor shall be subject to and comply with the same obligations and rights set forth in **§13(A)(i)**.
- iii. **Payments**
 - a) If this Addendum is terminated by the State pursuant to this **§13(B)**, Contractor shall be paid by respective Ordering Entities for all outstanding Orders an amount which bears the same ratio to the total reimbursement under those Orders as Contractor's obligations that were satisfactorily performed bear to the total obligations set forth in each Order, less payments previously made.
 - b) Additionally, if an Order is less than sixty (60) percent completed, an Ordering Entity may reimburse Contractor for a portion of actual out-of-pocket expenses (not otherwise reimbursed under this Contract) incurred by Contractor which are directly attributable to the uncompleted portion of Contractor's obligations hereunder; provided that the sum of any and all reimbursement shall not exceed the maximum amount payable to Contractor by an Ordering Entity under such Order.
- C. **State's Option to Terminate.** The State may, at any time, terminate this Addendum by sending written notice to the Contractor. Such notice shall state the effective date of termination, which shall be no less than thirty (30) calendar days after the date of the notice.

- E. **Intellectual Property.** If Contractor infringes on a patent, copyright, trademark, trade secret or other intellectual property right while performing its obligations under this Addendum, Contractor shall, at the State's or an Ordering Entity's option (i) obtain for the State, Ordering Entity or Contractor the right to use such Goods and Services; (ii) replace any Goods involved in the performance of the Services with non-infringing Goods, or modify them so that they become non-infringing; or, (iii) if neither of the foregoing alternatives are reasonably available, remove or discontinue any infringing Services or Goods and refund the price paid therefore to the State.
- F. **Non-State Ordering Entity Remedies.** Non-State Ordering Entities' remedies in the terms of the Orders they place are limited to those of the Master Agreement and this Addendum.
- G. **Delay or Nonperformance – Liquidated Damages.** If an Ordering Entity provides Contractor with written notice of delay or nonperformance under an Order in accordance with **§8 of this Addendum**, and Contractor fails to cure such delay or nonperformance
