B. Payment Procedures

Contractor shall invoice each Purchasing Entity in accordance with that Purchasing Entity's Order. Contractor shall not invoice the State under any Order unless the State issued that Order. Contractor shall allow 45 days for the State and Purchasing Entities to pay an invoice following the receipt of the invoice, unless the State or a Purchasing Entity specifically agrees to a shorter time in an Order. State law and regulations provide that State payments made within 45 days are not considered delinquent, and unless otherwise agreed, State Purchasing Entities will pay interest on any unpaid balance beginning on the 45th day at the rate of 1% per month until paid in full; provided, however, that interest shall not accrue on unpaid amounts that are the subject of a good faith dispute regarding the obligation to pay all or a portion of the liability. The Purchasing Entity will review the information presented by Contractor and may make changes to its determination based on this review. The calculation, determination or payment amount that results from the Purchasing Entity's review shall not be subject to additional dispute under this subsection. iii. Available Funds-Contingency-Termination of Order

Purchasing Entities, except for authorized non-profit entities, are prohibited by law from making commitments beyond the term of the current Purchasing Entity's Fiscal Year. Payment to Contractor beyond the current Purchasing Entity's Fiscal Year is contingent on the appropriation and continuing availability of Contract Funds in any subsequent year (See Colorado Special Provision). If federal funds, non-State funds or funds from any other source constitute all or some of the Contract Funds, the Purchasing Entity's obligation to pay Contractor shall be contingent upon such funding continuing to be made available for payment. All security features must be available and activated to protect against unauthorized use of and access to Federal tax information.
- 7) No work involving Federal tax information furnished under this contract will be subcontracted without prior written approval of the IRS.
- 8) The contractor will maintain a list of employees authorized access. Such list will be provided to the agency and, upon request, to the IRS reviewing office.
- 9) The agency will have the right to void the contract if the contractor fails to provide the safeguards described above.

II. CRIMINAL/CIVIL SANCTIONS:

- 1) Each officer or employee of any person to whom returns or return information is or may be disclosed will be notified in writing by such person that returns or return information disclosed to such officer or employee can be used only for a purpose and to the extent authorized herein, and that further disclosure of any such returns or return information for a purpose or to an extent unauthorized herein constitutes a felony punishable upon conviction by a fine of as much as \$5,000 or imprisonment for as long as 5 years, or both, together with the costs of prosecution. Such person shall also notify each such officer and employee that any such unauthorized further disclosure of returns or return information may also result in an award of civil damages against

the officer or employee in an amount not less than \$1,000 with respect to each instance of unauthorized disclosure. These penalties are prescribed by IRC sections 7213 and 7431 and set forth at 26 CFR 301.6103(n)-1.

- 2) Each officer or employee of any person to whom returns or return information is or may be disclosed shall be notified in writing by such person that any return or return information made available in any format shall be used only for the purpose of carrying out the provisions of this contract. Information contained in such material shall be treated as confidential and shall not be divulged or made known in any manner to any person except as may be necessary in the performance of the contract. Inspection by or disclosure to anyone without an official need to know constitutes a criminal misdemeanor punishable upon conviction by a fine of as much as \$1,000 or imprisonment for as long as 1 year, or both, together with the costs of prosecution. Such person shall also notify each such officer and employee that any such unauthorized inspection or disclosure of returns or return information may also result in an award of civil damages against the officer or employee [United States for Federal employees] in an amount equal to the sum of the greater of \$1,000 for each act of unauthorized inspection or disclosure with respect to which such defendant is found liable or the sum of the actual damages sustained by the plaintiff as a result of such unauthorized inspection or disclosure plus in the case of a willful inspection or disclosure which is the result of gross negligence, punitive damages, plus the costs of the action. These penalties are prescribed by IRC section 7213A and 7431.
- 3) Additionally, it is incumbent upon the contractor to inform its officers and employees of the penalties for improper disclosure imposed by the Privacy Act of 1974, 5 U.S.C. 552a. Specifically, 5 U.S.C. 552a(i)(1), which is made applicable to contractors by 5 U.S.C. 552a(m)(1), provides that any officer or employee of a contractor, who by virtue of his/her employment or official position, has possession of or access to agency records which contain individually identifiable information, the disclosure of which is prohibited by the Privacy Act or regulations established thereunder, and who knowing that disclosure of the specific material is prohibited, willfully discloses the material in any manner to any person or agency not entitled to receive it, shall be guilty of a misdemeanor and fined not more than \$5,000.

III. INSPECTION:

The IRS and the Agency shall have the right to send its officers and employees into the offices and plants of the contractor for inspection of the facilities and operations provided for the performance of any work under this contract. On the basis of such inspection, specific measures may be required in cases where the contractor is found to be noncompliant with contract safeguards.

ATTACHMENT B.2 – HIPAA BUSINESS ASSOCIATE ADDENDUM

This **Exhibit B.2 – HIPAA Business Associate Addendum** (“Addendum”) is part of that certain contract, CMS # 160002 (“Contract”), by and between Canon U.S.A., Inc. (“Contractor”) and the State of Colorado (“State”). In the event of a conflict or inconsistency between the Contract and its Exhibits and attachments, such conflict or inconsistency shall be resolved in the manner specified in §8 of the main body of the Contract. Any references to defined terms that are not specifically defined herein shall have the same meaning as those set forth in the Contract and its Exhibits. For purposes of this Addendum, the State is referred to as “Covered Entity” or “CE” and Contractor is referred to as “Associate.” Unless the context clearly requires a distinction between the Contract document and this Addendum, all references herein to “the Contract” or “this Contract” include this Addendum.

RECITALS

- A.** CE wishes to disclose certain information to Associate pursuant to the terms of the Contract, some of which may constitute Protected Health Information (“PHI”) (defined below).
- B.** CE and Associate intend to protect the privacy and provide for the security of PHI disclosed to Associate pursuant to this Contract in compliance with the Health Insurance Portability and Accountability Act of 1996, 42 USC §1320d-1320d-8 (“HIPAA”) as amended by the American Recovery and Reinvestment Act of 2009 (“ARRA”)/HITECH Act (PL 111-005), and its implementing regulations promulgated by the US Department of Health and Human Services, 45 CFR Parts 160, 162, and 164 (the “HIPAA Rules”) and other applicable laws, as amended.
- C.** As part of the HIPAA Rules, the CE is required to enter into a written contract containing specific requirements with Associate prior to the disclosure of PHI, as set forth in, but not limited to, Title 45, §§ 160.103, 164.502(e), and 164.504(e) of the Code of Federal Regulations (“CFR”) and contained in this Addendum.

The parties agree as follows:

1. Definitions.

- a. Except as otherwise defined herein, capitalized terms in this Addendum shall have the definitions set forth in the HIPAA Rules at 45 CFR Parts 160, 162, and 164, as amended. In the event of any conflict between the mandatory provisions of the HIPAA Rules and the provisions of this Contract, the HIPAA Rules shall control. Where the provisions of this Contract differ from those mandated by the HIPAA Rules, but are nonetheless permitted by the HIPAA Rules, the provisions of this Contract shall control.
- b. “Protected Health Information” or “PHI” means any information, whether oral or recorded in any form or medium: (i) that relates to the past, present, or future physical or mental condition of an individual; the provision of health care to an individual; or the past, present, or future payment for the provision of health care to an individual; and (ii) that identifies the individual or with respect to which there is a reasonable basis to believe the information can be used to identify the individual, and shall have the meaning given to such term under the HIPAA Rules, including, but not limited to, 45 CFR §164.501.
- c. “Protected Information” shall mean PHI provided by CE to Associate or created, received, maintained, or transmitted by Associate on CE’s behalf. To the extent Associate is a covered entity under HIPAA and creates or obtains its own PHI for treatment, payment,

and health care operations, Protected Information under this Contract does not include any PHI created or obtained by Associate as a covered entity and Associate shall follow its own policies and procedures for accounting, access, and amendment of Associate's PHI.

- d. "Subcontractor" shall mean a third party to whom Associate delegates a function, activity, or service that involves CE's Protected Information, in order to carry out the responsibilities of this Addendum.

2. Obligations of Associate.

- a. Permitted Uses. Associate shall not use Protected Information except for the purpose of performing Associate's obligations under this Contract and as permitted under this Addendum. Further, Associate shall not use Protected Information in any manner that would constitute a violation of the HIPAA Rules if so used by CE, except that Associate may use Protected Information: (i) for the proper management and administration of Associate; (ii) to carry out the legal responsibilities of Associate; or (iii) for Data Aggregation purposes for the Health Care Operations of CE. Additional provisions, if any, governing permitted uses of Protected Information are set forth in **Attachment B.2** to this Addendum. Associate accepts full responsibility for any penalties incurred as a result of Associate's breach of the HIPAA Rules.
- b. Permitted Disclosures. Associate shall not disclose Protected Information in any manner that would constitute a violation of the HIPAA Rules if disclosed by CE, except that Associate may disclose Protected Information: (i) in a manner permitted pursuant to this Contract; (ii) for the proper management and administration of Associate; (iii) as required by law; (iv) for Data Aggregation purposes for the Health Care Operations of CE; or (v) to report violations of law to appropriate federal or state authorities, consistent with 45 CFR §164.502(j)(1). To the extent that Associate discloses Protected Information to a third-party Subcontractor, Associate must obtain, prior to making any such disclosure: (i) reasonable assurances through execution of a written agreement with such third party that such Protected Information will be held confidential as provided pursuant to this Addendum and only disclosed as required by law or for the purposes for which it was disclosed to such third party; and that such third party will notify Associate within two (2) business days of any breaches of confidentiality of the Protected Information, to the extent it has obtained knowledge of such breach. Additional provisions, if any, governing permitted disclosures of Protected Information are set forth in **Attachment B.2**.
- c. Appropriate Safeguards. Associate shall implement appropriate safeguards as are necessary to prevent the use or disclosure of Protected Information other than as permitted by this Contract. Associate shall comply with the requirements of the HIPAA Security Rule at 45 CFR §§164.308, 164.310, 164.312, and 164.316. Associate shall maintain a comprehensive written information privacy and security program that includes administrative, technical and physical safeguards appropriate to the size and complexity of the Associate's operations and the nature and scope of its activities. Associate shall review, modify, and update the documentation of, its safeguards as needed to ensure continued provision of reasonable and appropriate protection of Protected Information.
- d. Reporting of Improper Use or Disclosure. Associate shall report to CE in writing any use or disclosure of Protected Information other than as provided for by this Contract within five (5) business days of becoming aware of such use or disclosure.

- e. Associate's Rights. If Associate uses one or more Subcontractors or agents to provide services under the Contract, and such Subcontractors or agents receive or have access to Protected Information, each Subcontractor or agent shall sign an agreement with Associate containing the same provisions as this Addendum and further identifying CE as a third-party beneficiary with rights of enforcement and indemnification from such Subcontractors or agents in the event of any violation of such Subcontractor or agent agreement. The agreement between Associate and the Subcontractor or agent shall ensure that the Subcontractor or agent agrees to at least the same restrictions and conditions that apply to Associate with respect to such Protected Information. Associate shall implement and maintain sanctions against agents and Subcontractors that violate such restrictions and conditions and shall mitigate the effects of any such violation.
- f. Access to Protected Information. If Associate maintains Protected Information contained within CE's Designated Record Set, Associate shall make Protected Information maintained by Associate or its agents or Subcontractors in such Designated Record Sets available to CE for inspection and copying within ten (10) business days of a request by CE to enable CE to fulfill its obligations to permit individual access to PHI under the HIPAA Rules, including, but not limited to, 45 CFR §164.524. If such Protected Information is maintained by Associate in an electronic form or format, Associate must make such Protected Information available to CE in a mutually agreed upon electronic form or format.
- g. Amendment of PHI. If Associate maintains Protected Information contained within CE's Designated Record Set, Associate or its agents or Subcontractors shall make such Protected Information available to CE for amendment within ten (10) business days of receipt of a request from CE for an amendment of Protected Information or a record about an individual contained in a Designated Record Set, and shall incorporate any such amendment to enable CE to fulfill its obligations with respect to requests by individuals to amend their PHI under the HIPAA Rules, including, but not limited to, 45 CFR §164.526. If any individual requests an amendment of Protected Information directly from Associate or its agents or Subcontractors, Associate must notify CE in writing within five (5) business days of receipt of the request. Any denial of amendment of Protected Information maintained by Associate or its agents or Subcontractors shall be the responsibility of CE.
- h. Accounting Rights. If Associate maintains Protected Information contained within CE's Designated Record Set, Associate and its agents or Subcontractors shall make available to CE within ten (10) business days of notice by CE, the information required to provide an accounting of disclosures to enable CE to fulfill its obligations under the HIPAA Rules, including, but not limited to, 45 CFR §164.528. In the event that the request for an accounting is delivered directly to Associate or its agents or Subcontractors, Associate shall within five (5) business days of the receipt of the request forward it to CE in writing. It shall be CE's responsibility to prepare and deliver any such accounting requested. Associate shall not disclose any Protected Information except as set forth in Section 2(b) of this Addendum.
- i. Governmental Access to Records. Associate shall keep records and make its internal practices, books, and records relating to the use and disclosure of Protected Information available to the Secretary of the US Department of Health and Human Services (the "Secretary"), in a time and manner designated by the Secretary, for purposes of

- determining CE's or Associate's compliance with the HIPAA Rules. Associate shall provide to CE a copy of any Protected Information that Associate provides to the Secretary concurrently with providing such Protected Information to the Secretary when the Secretary is investigating CE. Associate shall cooperate with the Secretary if the Secretary undertakes an investigation or compliance review of Associate's policies, procedures, or practices to determine whether Associate is complying with the HIPAA Rules, and permit access by the Secretary during normal business hours to its facilities, books, records, accounts, and other sources of information, including Protected Information, that are pertinent to ascertaining compliance.
- j. Minimum Necessary. Associate (and its agents or subcontractors) shall only request, use, and disclose the minimum amount of Protected Information necessary to accomplish the purpose of the request, use, or disclosure, in accordance with the Minimum Necessary requirements of the HIPAA Rules including, but not limited to 45 CFR §§164.502(b) and 164.514(d).
- k. Data Ownership. Associate acknowledges that Associate has no ownership rights with respect to Protected Information.
- l. Retention of Protected Information. Except upon termination of the Contract as provided in Section 4(d) of this Addendum, Associate and its Subcontractors or agents shall retain all Protected Information throughout the term of this Contract and shall continue to maintain the information required under Section 2(h) of this Addendum for a period of six (6) years.
- m. Associate's Insurance. Associate shall maintain insurance to cover loss of PHI data and claims based upon alleged violations of privacy rights through improper use or disclosure of PHI. All such policies shall meet or exceed the minimum insurance requirements of the Contract (e.g. occurrence basis, combined single dollar limits, annual aggregate dollar limits, additional insured status, and notice of cancellation).
- n. Notice of Privacy Practices. Associate shall be responsible for reviewing CE's Notice of Privacy Practices, available on CE's external website, to determine any requirements applicable to Associate per this Contract.
- o. Notification of Breach. During the term of this Contract, Associate shall notify CE within two (2) business days of any suspected or actual breach of security, intrusion, or unauthorized use or disclosure of PHI and/or any actual or suspected use or disclosure of data in violation of any applicable federal or state laws or regulations. Associate shall not initiate notification to affected individuals per the HIPAA Rules without prior notification and approval of CE. Information provided to CE shall include the identification of each individual whose unsecured PHI has been, or is reasonably believed to have been accessed, acquired, or disclosed during the breach. Associate shall take **(i)** prompt corrective action to cure any such deficiencies and **(ii)** any action pertaining to such unauthorized disclosure required by applicable federal and state laws and regulations.
- p. Audits, Inspection, and Enforcement. Within ten (10) business days of a written request by CE, Associate and its agents or subcontractors shall allow CE to conduct a reasonable inspection of the facilities, systems, books, records, agreements, policies, and procedures

relating to the use or disclosure of Protected Information pursuant to this Addendum for the purpose of determining whether Associate has complied with this Addendum; provided, however, that: (i) Associate and CE shall mutually agree in advance upon the scope, timing, and location of such an inspection; and (ii) CE shall protect the confidentiality of all confidential and proprietary information of Associate to which CE has access during the course of such inspection. The fact that CE inspects, or fails to inspect, or has the right to inspect, Associate's facilities, systems, books, records, agreements, policies, and procedures does not relieve Associate of its responsibility to comply with this Addendum, nor does CE's (i) failure to detect or (ii) detection, but failure to notify Associate or require Associate's remediation of any unsatisfactory practices, constitute acceptance of such practice or a waiver of CE's enforcement rights under the Contract.

- q. Safeguards During Transmission. Associate shall be responsible for using appropriate safeguards, including encryption of PHI, to maintain and ensure the confidentiality, integrity, and security of Protected Information transmitted pursuant to the Contract, in accordance with the standards and requirements of the HIPPA Rules.
- r. Restrictions and Confidential Communications. Within ten (10) business days of notice by CE of a restriction upon uses or disclosures or request for confidential communications pursuant to 45 CFR §164.522, Associate will restrict the use or disclosure of an individual's Protected Information. Associate will not respond directly to an individual's requests to restrict the use or disclosure of Protected Information or to send all communication of Protected Information to an alternate address. Associate will refer such requests to the CE so that the CE can coordinate and prepare a timely response to the requesting individual and provide direction to Associate.

3. Obligations of CE.

- a. Safeguards During Transmission. CE shall be responsible for using appropriate safeguards, including encryption of PHI, to maintain and ensure the confidentiality, integrity, and security of Protected Information transmitted pursuant to the Contract, in accordance with the standards and requirements of the HIPAA Rules.
- b. Notice of Changes. CE maintains a copy of its Notice of Privacy Practices on its website. CE shall provide Associate with any changes in, or revocation of, permission to use or disclose Protected Information, to the extent that it may affect Associate's permitted or required uses or disclosures. To the extent that it may affect Associate's permitted use or disclosure of PHI, CE shall notify Associate of any restriction on the use or disclosure of Protected Information that CE has agreed to in accordance with 45 CFR §164.522.

4. Termination.

- a. Material Breach. In addition to any other provisions on the Contract regarding breach, a breach by Associate of any provision of this Addendum, as determined by CE, shall constitute a material breach of this Contract and shall provide grounds for immediate termination of this Contract by CE pursuant to the provisions of the Contract covering termination for cause, if any. If the Contract contains no express provisions regarding termination for cause, the following terms and conditions shall apply:

- (1) Default. If Associate refuses or fails to timely perform any of the provisions of this Contract, CE may notify Associate in writing of the non-performance, and if not promptly corrected within the time specified, CE may terminate this Contract. Associate shall continue performance of this Contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services elsewhere.
 - (2) Associate's Duties. Notwithstanding termination of this Contract, and subject to any directions from CE, Associate shall take timely, reasonable, and necessary action to protect and preserve property in the possession of Associate in which CE has an interest.
 - (3) Compensation. Payment for completed supplies delivered and accepted by CE shall be at the Contract Price. In the event of a material breach under paragraph 4a, CE may withhold amounts due Associate as CE deems necessary to protect CE against loss from third-party claims of improper use or disclosure and to reimburse CE for the excess costs incurred in procuring similar goods and services elsewhere.
 - (4) Erroneous Termination for Default. If after such termination it is determined, for any reason, that Associate was not in default, or that Associate's action/inaction was excusable, such termination shall be treated as a termination for convenience, and the rights and obligations of the parties shall be the same as if this Contract had been terminated for convenience, as described in this Contract.
- b. Reasonable Steps to Cure Breach. If CE knows of a pattern of activity or practice of Associate that constitutes a material breach or violation of the Associate's obligations under the provisions of this Addendum or another arrangement and does not terminate this Contract pursuant to Section 4(a), then CE shall take reasonable steps to cure such breach or end such violation. If CE's efforts to cure such breach or end such violation are unsuccessful, CE shall either (i) terminate the Contract, if feasible or (ii) if termination of this Contract is not feasible, CE shall report Associate's breach or violation to the Secretary of the Department of Health and Human Services. If Associate knows of a pattern of activity or practice of a Subcontractor or agent that constitutes a material breach or violation of the Subcontractor's or agent's obligations under the written agreement between Associate and the Subcontractor or agent, Associate shall take reasonable steps to cure such breach or end such violation, if feasible.
- c. Judicial or Administrative Proceedings. Either party may terminate the Contract, effective immediately, if (i) the other party is named as a defendant in a criminal proceeding for a violation of the HIPAA Rules or other security or privacy laws or (ii) a finding or stipulation that the other party has violated any standard or requirement of the HIPAA Rules or other security or privacy laws is made in any administrative or civil proceeding in which the party has been joined.
- d. Effect of Termination.
- (1) Except as provided in paragraph (2) of this subsection, upon termination of this Contract, for any reason, Associate shall return or destroy all Protected Information that Associate or its agents or Subcontractors still maintain in any form, and shall

retain no copies of such Protected Information. If associate elects to destroy the PHI, Associate shall certify in writing to CE that such PHI has been destroyed.

- (2) If Associate believes that returning or destroying the Protected Information is not feasible, Associate shall promptly provide CE notice of the conditions making return or destruction infeasible. Associate shall continue to extend the protections of Sections 2(a), 2(b), 2(c), 2(d), and 2(e) of this Addendum to such Protected Information, and shall limit further use of such PHI to those purposes that make the return or destruction of such PHI infeasible.

5. Injunctive Relief. CE shall have the right to injunctive and other equitable and legal relief against Associate or any of its Subcontractors or agents in the event of any use or disclosure of Protected Information in violation of this Contract or applicable law.

6. No Waiver of Immunity. No term or condition of this Contract shall be construed or interpreted as a waiver, express or implied, of any of the immunities, rights, benefits, protection, or other provisions of the Colorado Governmental Immunity Act, CRS §24-10-101 et seq. or the Federal Tort Claims Act, 28 USC §2671 et seq. as applicable, as now in effect or hereafter amended.

7. Limitation of Liability. Any limitation of Associate's liability in the Contract shall be inapplicable to the terms and conditions of this Addendum.

8. Disclaimer. CE makes no warranty or representation that compliance by Associate with this Contract or the HIPAA Rules will be adequate or satisfactory for Associate's own purposes. Associate is solely responsible for all decisions made by Associate regarding the safeguarding of PHI.

9. Certification. To the extent that CE determines an examination is necessary in order to comply with CE's legal obligations pursuant to the HIPAA Rules relating to certification of its security practices, CE or its authorized agents or contractors may, at CE's expense, examine Associate's facilities, systems, procedures, and records as may be necessary for such agents or contractors to certify to CE the extent to which Associate's security safeguards comply with the HIPAA Rules or this Addendum.

10. Amendment.

- a. Amendment to Comply with Law. The parties acknowledge that state and federal laws relating to data security and privacy are rapidly evolving and that amendment of this Addendum may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to implement the standards and requirements of the HIPAA Rules and other applicable laws relating to the confidentiality, integrity, availability, and security of PHI. The parties understand and agree that CE must receive satisfactory written assurance from Associate that Associate will adequately safeguard all Protected Information and that it is Associate's responsibility to receive satisfactory written assurances from Associate's Subcontractors and agents. Upon the request of either party, the other party agrees to promptly enter into negotiations concerning the terms of an amendment to this Addendum embodying written assurances consistent with the standards and requirements of the HIPAA Rules or other applicable laws. CE may terminate this Contract upon thirty (30) days' written notice in the event (i) Associate does not promptly enter into negotiations to amend this Contract when requested by CE pursuant to this Section, or (ii) Associate does not enter into an amendment to this Contract providing assurances regarding the safeguarding of PHI that

CE, in its sole discretion, deems sufficient to satisfy the standards and requirements of the HIPAA Rules.

- b. Amendment of Attachment B.2. Attachment B.2 may be modified or amended by mutual agreement of the parties in writing from time to time without formal amendment of this Addendum.

11. Assistance in Litigation or Administrative Proceedings. Associate shall make itself, and any Subcontractors, employees, or agents assisting Associate in the performance of its obligations under the Contract, available to CE, at no cost to CE up to a maximum of thirty (30) hours, to testify as witnesses, or otherwise, in the event of litigation or administrative proceedings being commenced against CE, its directors, officers, or employees based upon a claimed violation of the HIPAA Rules or other laws relating to security and privacy or PHI, except where Associate or its Subcontractor, employee, or agent is a named adverse party.

12. No Third-Party Beneficiaries. Nothing express or implied in this Contract is intended to confer, nor shall anything herein confer, upon any person other than CE, Associate, and their respective successors or assigns, any rights, remedies, obligations, or liabilities whatsoever.

13. Interpretation and Order of Precedence. The provisions of this Addendum shall prevail over any provisions in the Contract that may conflict or appear inconsistent with any provision in this Addendum. Together, the Contract and this Addendum shall be interpreted as broadly as necessary to implement and comply with the HIPAA Rules. The parties agree that any ambiguity in this Contract shall be resolved in favor of a meaning that complies and is consistent with the HIPAA Rules. This Contract supersedes and replaces any previous separately executed HIPAA addendum between the parties.

14. Survival of Certain Contract Terms. Notwithstanding anything herein to the contrary, Associate’s obligations under Section 4(d) (“Effect of Termination”) and Section 12 (“No Third-Party Beneficiaries”) shall survive termination of this Contract and shall be enforceable by CE as provided herein in the event of such failure to perform or comply by the Associate. This Addendum shall remain in effect during the term of the Contract including any extensions.

15. Representatives and Notice.

- a. Representatives. For the purpose of the Contract, the individuals identified elsewhere in this Contract shall be the representatives of the respective parties. If no representatives are identified in the Contract, the individuals listed below are hereby designated as the parties’ respective representatives for purposes of this Contract. Either party may from time to time designate in writing new or substitute representatives.

ATTACHMENT B.4 – FEDERAL BUREAU OF INVESTIGATION CRIMINAL JUSTICE INFORMATION SERVICES SECURITY ADDENDUM

Traditionally, law enforcement and other criminal justice agencies have been responsible for the confidentiality of their information. Accordingly, until mid-1999, the Code of Federal Regulations Title 28, Part 20, subpart C, and the National Crime Information Center (NCIC) policy paper approved December 6, 1982, required that the management and exchange of criminal justice information be performed by a criminal justice agency or, in certain circumstances, by a noncriminal justice agency under the management control of a criminal justice agency.

In light of the increasing desire of governmental agencies to contract with private entities to perform administration of criminal justice functions, the FBI sought and obtained approval from the United States Department of Justice (DOJ) to permit such privatization of traditional law enforcement functions under certain controlled circumstances. In the Federal Register of May 10, 1999, the FBI published a Notice of Proposed Rulemaking, announcing as follows:

1. Access to CHRI [Criminal History Record Information] and Related Information, Subject to Appropriate Controls, by a Private Contractor Pursuant to a Specific Agreement with an Authorized Governmental Agency To Perform an Administration of Criminal Justice Function (Privatization). Section 534 of title 28 of the United States Code authorizes the Attorney General to exchange identification, criminal identification, crime, and other records for the official use of authorized officials of the federal government, the states, cities, and penal and other institutions. This statute also provides, however, that such exchanges are subject to cancellation if dissemination is made outside the receiving departments or related agencies. Agencies authorized access to CHRI traditionally have been hesitant to disclose that information, even in furtherance of authorized criminal justice functions, to anyone other than actual agency employees lest such disclosure be viewed as unauthorized. In recent years, however, governmental agencies seeking greater efficiency and economy have become increasingly interested in obtaining support services for the administration of criminal justice from the private sector. With the concurrence of the FBI's Criminal Justice Information Services (CJIS) Advisory Policy Board, the DOJ has concluded that disclosures to private persons and entities providing support services for criminal justice agencies may, when subject to appropriate controls, properly be viewed as permissible disclosures for purposes of compliance with 28 U.S.C. 534.

We are therefore proposing to revise 28 CFR 20.33(a)(7) to provide express authority for such arrangements. The proposed authority is similar to the authority that already exists in 28 CFR 20.21(b)(3) for state and local CHRI systems. Provision of CHRI under this authority would only be permitted pursuant to a specific agreement with an authorized governmental agency for the purpose of providing services for the administration of criminal justice. The agreement would be required to incorporate a security addendum approved by the Director of the FBI (acting for the Attorney General). The security addendum would specifically authorize access to CHRI, limit the use of the information to the specific purposes for which it is being provided, ensure the security and confidentiality of the information consistent with applicable laws and regulations, provide for sanctions, and contain such other provisions as the Director of the FBI (acting for the Attorney General) may require. The security addendum, buttressed by ongoing audit programs of both the FBI and the sponsoring governmental agency, will provide an appropriate balance between the benefits of privatization, protection of individual privacy interests, and preservation of the security of the FBI's CHRI systems.

The FBI will develop a security addendum to be made available to interested governmental agencies. We anticipate that the security addendum will include physical and personnel security constraints historically required by NCIC security practices and other programmatic requirements, together with personal integrity and electronic security provisions comparable to those in NCIC User Agreements between the FBI and criminal justice agencies, and in existing Management

Control Agreements between criminal justice agencies and noncriminal justice governmental entities. The security addendum will make clear that access to CHRI will be limited to those officers and employees of the private contractor or its subcontractor who require the information to properly perform services for the sponsoring governmental agency, and that the service provider may not access, modify, use, or disseminate such information for inconsistent or unauthorized purposes.

Consistent with such intent, Title 28 of the Code of Federal Regulations (C.F.R.) was amended to read:

§ 20.33 Dissemination of criminal history record information.

- a) Criminal history record information contained in the Interstate Identification Index (III) System and the Fingerprint Identification Records System (FIRS) may be made available:
 - 1) To criminal justice agencies for criminal justice purposes, which purposes include the screening of employees or applicants for employment hired by criminal justice agencies.
 - 2) To noncriminal justice governmental agencies performing criminal justice dispatching functions or data processing/information services for criminal justice agencies; and
 - 3) To private contractors pursuant to a specific agreement with an agency identified in paragraphs (a)(1) or (a)(6) of this section and for the purpose of providing services for the administration of criminal justice pursuant to that agreement. The agreement must incorporate a security addendum approved by the Attorney General of the United States, which shall specifically authorize access to criminal history record information, limit the use of the information to the purposes for which it is provided, ensure the security and confidentiality of the information consistent with these regulations, provide for sanctions, and contain such other provisions as the Attorney General may require. The power and authority of the Attorney General hereunder shall be exercised by the FBI Director (or the Director's designee).

This Security Addendum, appended to and incorporated by reference in a government-private sector contract entered into for such purpose, is intended to insure that the benefits of privatization are not attained with any accompanying degradation in the security of the national system of criminal records accessed by the contracting private party. This Security Addendum addresses both concerns for personal integrity and electronic security which have been addressed in previously executed user agreements and management control agreements.

A government agency may privatize functions traditionally performed by criminal justice agencies (or noncriminal justice agencies acting under a management control agreement), subject to the terms of this Security Addendum. If privatized, access by a private contractor's personnel to NCIC data and other CJIS information is restricted to only that necessary to perform the privatized tasks consistent with the government agency's function and the focus of the contract. If privatized the contractor may not access, modify, use or disseminate such data in any manner not expressly authorized by the government agency in consultation with the FBI.

**FEDERAL BUREAU OF INVESTIGATION
CRIMINAL JUSTICE INFORMATION SERVICES
SECURITY ADDENDUM**

The goal of this document is to augment the CJIS Security Policy to ensure adequate security is provided for criminal justice systems while (1) under the control or management of a private entity or (2) connectivity to FBI CHS Systems has been provided to a private entity (contractor). Adequate security is defined in Office of Management and Budget Circular A-130 as "security commensurate with the risk and magnitude of harm resulting from the loss, misuse, or unauthorized access to or modification of information."

The intent of this Security Addendum is to require that the Contractor maintain a security program consistent with federal and state laws, regulations, and standards (including the CJIS Security Policy in effect when the contract is executed), as well as with policies and standards established by the Criminal Justice Information Services (CJIS) Advisory Policy Board (APB).

This Security Addendum identifies the duties and responsibilities with respect to the installation and maintenance of adequate internal controls within the contractual relationship so that the security and integrity of the FBI's information resources are not compromised. The security program shall include consideration of personnel security, site security, system security, and data security, and technical security.

The provisions of this Security Addendum apply to all personnel, systems, networks and support facilities supporting and/or acting on behalf of the government agency.

1. Definitions

- 1.1.** Contracting Government Agency (CGA) - the government agency, whether a Criminal Justice Agency or a Noncriminal Justice Agency, which enters into an agreement with a private contractor subject to this Security Addendum.
- 1.2.** Contractor - a private business, organization or individual which has entered into an agreement for the administration of criminal justice with a Criminal Justice Agency or a Noncriminal Justice Agency.

2. Responsibilities of the Contracting Government Agency

- 2.1.** The CGA will ensure that each Contractor employee receives a copy of the Security Addendum and the CHS Security Policy and executes an acknowledgment of such receipt and the contents of the Security Addendum. The signed acknowledgments shall remain in the possession of the CGA and available for audit purposes. The acknowledgement may be signed by hand or via digital signature (see glossary for definition of digital signature).

3. Responsibilities of the Contractor

- 3.1.** The Contractor will maintain a security program consistent with federal and state laws, regulations, and standards (including the CJIS Security Policy in effect when the contract is executed and all subsequent versions), as well as with policies and standards established by the Criminal Justice Information Services (CJIS) Advisory Policy Board (APB).

4. Security Violations

- 4.1.** The CGA must report security violations to the CHS Systems Officer (CSO) and the Director, FBI, along with indications of actions taken by the CGA and Contractor.
- 4.2.** Security violations can justify termination of the appended agreement.

- 4.3.** Upon notification, the FBI reserves the right to:
- a.** Investigate or decline to investigate any report of unauthorized use;
 - b.** Suspend or terminate access and services, including telecommunications links. The FBI will provide the CSO with timely written notice of the suspension. Access and services will be reinstated only after satisfactory assurances have been provided to the FBI by the CJA and Contractor. Upon termination, the Contractor's records containing CHRI must be deleted or returned to the CGA.

5. Audit

- 5.1.** The FBI is authorized to perform a final audit of the Contractor's systems after termination of the Security Addendum.

6. Scope and Authority

- 6.1.** This Security Addendum does not confer, grant, or authorize any rights, privileges, or obligations on any persons other than the Contractor, CGA, CJA (where applicable), CSA, and FBI.
- 6.2.** The following documents are incorporated by reference and made part of this agreement: (1) the Security Addendum; (2) the NCIC 2000 Operating Manual; (3) the CJIS Security Policy; and (4) Title 28, Code of Federal Regulations, Part 20. The parties are also subject to applicable federal and state laws and regulations.
- 6.3.** The terms set forth in this document do not constitute the sole understanding by and between the parties hereto; rather they augment the provisions of the CHS Security Policy to provide a minimum basis for the security of the system and contained information and it is understood that there may be terms and conditions of the appended Agreement which impose more stringent requirements upon the Contractor.
- 6.4.** This Security Addendum may only be modified by the FBI, and may not be modified by the parties to the appended Agreement without the consent of the FBI.
- 6.5.** All notices and correspondence shall be forwarded by First Class mail to:

CERTIFICATION

I hereby certify that I am familiar with the contents of (1) the Security Addendum, including its legal authority and purpose; (2) the NCIC Operating Manual; (3) the CJIS Security Policy; and (4) Title 28, Code of Federal Regulations, Part 20, and agree to be bound by their provisions.

I recognize that criminal history record information and related data, by its very nature, is sensitive and has potential for great harm if misused. I acknowledge that access to criminal history record information and related data is therefore limited to the purpose(s) for which a government agency has entered into the contract incorporating this Security Addendum. I understand that misuse of the system by, among other things: accessing it without authorization; accessing it by exceeding authorization; accessing it for an improper purpose; using, disseminating or re-disseminating information received as a result of this contract for a purpose other than that envisioned by the contract, may subject me to administrative and criminal penalties. I understand that accessing the system for an appropriate purpose and then using, disseminating or re-disseminating the information received for another purpose other than execution of the contract also constitutes misuse. I further understand that the occurrence of misuse does not depend upon whether or not I receive additional compensation for such authorized activity. Such exposure for misuse includes, but is not limited to, suspension or loss of employment and prosecution for state and federal crimes.

ATTACHMENT 1, CANON LEASE AGREEMENT TERMS AND CONDITIONS

CFS: Canon Financial Services, Inc., a New Jersey Corporation, with its place of business at 158 Gaither Drive, Suite 200, Mount Laurel, New Jersey 08054

CUSTOMER: political subdivision or agency or other Purchasing Entity under the applicable Participating Addendum

PRODUCTS: The Devices, Accessories, parts, software, and/or Supplies being leased by Customer under a Fair Market Value Lease, a \$1 Buyout Lease, a Straight Lease, or a Short-Term Lease, as specified in the applicable Order.

1. **TERM OF LEASE:** Each lease of Products under an Order shall be effective on and commence from the date the Products are delivered to Customer ("Commencement Date"), provided Customer executes CFS' form of acceptance ("Acceptance Certificate") or otherwise accepts the Products as specified herein. The term of each lease shall consist of the initial term specified in the applicable Order and any renewal term(s) if and as applicable. After acceptance of the Products, Customer shall have no right to revoke such acceptance or cancel the lease during the term thereof, except as set forth herein.

2. **RENEWAL OF LEASE; RETURNS OR PURCHASES OF PRODUCTS; BUYOUT TO KEEP/RETURN:** Leases shall not be subject to automatic renewals, except as hereafter provided. With the exception of a \$1 Buyout Lease arrangement, or unless exercising the purchase option on an FMV Lease, Customer shall return the Products at the end of the initial lease term, or at the end of the Renewal Lease Term, or CFS may pick the Products up, without any further financial obligations to Customer.

FMV Leases: Upon expiration of the initial lease term, Customer may do one of the following:

- 1) Exercise its purchase option;

- 1) Renew the rental on a month to month basis, up to a total maximum term of 12 months, including the initial lease term; or

2) Return the Products to CFS, or have CFS pick the Products up.

If Customer desires to exercise a purchase, renewal, or return of the Products, it shall give CFS at least thirty (30) days written notice prior to the expiration of such lease term. Notwithstanding anything to the contrary, if Customer fails to notify CFS of its intent with respect to the exercise of a purchase, renewal, or return of the Products, the initial lease term shall be terminated on the date as stated in the Order and removal of the Product will be mutually arranged, unless otherwise specified in a Participating State or Entity's Participating Addendum.

Notwithstanding the foregoing, if Customer fails to notify CFS at least thirty (30) days prior to lease termination of a digital press Production Device and/or large format printer, then the lease will automatically renew on a month-to-month basis until Customer notifies CFS of its intent. In such a case, the automatic renewal term shall not exceed a maximum of 12 monthly payments. At which point in time, CFS will make arrangements to pick up the Equipment from Customer.

If Customer does not exercise the purchase or renewal option, it will immediately make the Product available to Contractor in as good of condition as when Customer received it, except for ordinary wear and tear.

Product Payments for renewal terms shall never exceed Master Agreement pricing. If Customer enters into a renewal term, then the Product Payment will be subject to the lease rates listed in the most recent Price List(s) posted on the NASPO ValuePoint website.

Customers under FMV or \$1 Buyout Leases shall have a Buyout to Keep Option. Customers under FMV, \$1 Buyout or Straight Leases shall have a Buyout to Return Option. The Buyout to Keep Option price shall be the Remaining Lease Balance (as hereinafter defined). The Buyout to Return Option shall be the Remaining Lease Balance, less the Fair Market Value (as hereinafter defined). Customer must notify the CFS, in writing, at least thirty (30) days in advance, if it wishes to exercise the Buyout to Keep option on an FMV or \$1 Buyout Lease. Customer must notify CFS, in writing, at least thirty (30) days in advance, if it wishes to exercise the Buyout to Return option on an FMV, \$1 Buyout or Straight Lease, and return the Products to CFS in good working condition (ordinary wear and tear excepted).

3. PAYMENTS: The first scheduled payment (as specified in the applicable Order), will be due following the Acceptance of the Products, or such later date as CFS may designate. The remaining payments (together with the first scheduled payment, the "Payments") will be due on the same day of each subsequent month, unless otherwise specified in the applicable Order. The Payments are comprised of the principal and interest thereon. Customer's obligation to pay all amounts due for the lease of the Products shall be absolute and unconditional and is not subject to any abatements, set-off, defense or counterclaim for any reason whatsoever.

4. APPLICATION OF PAYMENTS: All Payments received by CFS from Customer under this Agreement will be applied to amounts due and payable hereunder chronologically, based on the date of the charge as shown on the invoice for each such amount, and among amounts having the same date in such order as CFS, in its discretion, may determine.

5. NO CFS WARRANTIES: CUSTOMER ACKNOWLEDGES THAT CFS IS NOT A MANUFACTURER, DEALER, OR SUPPLIER OF THE PRODUCTS. CUSTOMER AGREES THAT THE PRODUCTS ARE LEASED "AS IS" AND IS OF A SIZE, DESIGN AND CAPACITY SELECTED BY CUSTOMER. CUSTOMER ACKNOWLEDGES THAT CFS HAS MADE NO REPRESENTATION OR WARRANTY WITH RESPECT TO THE SUITABILITY OR DURABILITY OF THE PRODUCTS, THE ABSENCE OF ANY CLAIM OF INFRINGEMENT OR THE LIKE, OR ANY OTHER

REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO THE PRODUCTS INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. Any warranty with respect to the Products made by the manufacturer, dealer, or supplier is separate from, and is not a part of, the lease of the Products and shall be for the benefit of CFS, Customer and CFS' successors or assignees, if any. So long as Customer is not in breach or default with respect to its lease, CFS assigns to Customer any warranties (including those agreed to between Customer and the manufacturer, dealer, or supplier) which CFS may have with respect to any item of the Products; provided that the scope and limitations of any such warranty shall be solely as set out in any agreement between Customer and such manufacturer, dealer, or supplier or as otherwise specified in warranty materials from such manufacturer, dealer, or supplier and shall not include any implied warranties arising solely from CFS' acquisition of the Products. CUSTOMER ACKNOWLEDGES THAT NEITHER THE SUPPLIER NOR ANY DEALER IS AUTHORIZED TO WAIVE OR ALTER ANY TERM OF THIS AGREEMENT OR ANY SCHEDULE, OR TO MAKE ANY REPRESENTATION OR WARRANTY WITH RESPECT TO THIS AGREEMENT OR THE PRODUCTS ON BEHALF OF CFS.

6. NON-APPROPRIATION OF FUNDS: The continuation of any lease agreement will be subject to, and contingent upon, sufficient funds being made available by the Participating State Legislature and/or federal sources. Customer may terminate any such lease agreement, and CFS waives any and all claim(s) for damages, effective immediately upon receipt of written notice (or any date specified therein) if for any reason the Customer's funding sources are not available.

7. ACCEPTANCE; DELIVERY: Customer's acceptance of a Product as provided in the Master Agreement shall conclusively establish that the Equipment has been delivered to and accepted by Customer for all purposes of this Agreement and Customer may not for any reason revoke that acceptance.

8. LOCATION; LIENS; NAMES; OFFICES: Customer shall not move the Products from the location specified in the applicable Order except with the prior written consent of CFS. Customer shall keep the Products free and clear of all claims and liens other than those in favor of CFS. Customer's legal name (as set forth in its constituent documents filed with the appropriate governmental office or agency) is as set forth in the applicable Order. The chief executive office address of Customer is as set forth herein. Customer shall provide CFS with written notice at least thirty (30) days prior to any change of its legal name or chief executive office address, and shall execute and deliver to CFS such documents as required or appropriate.

9. WARRANTY OF BUSINESS PURPOSE; USE; PERSONAL PROPERTY; FINANCING STATEMENTS: Customer represents and warrants that the Products will not be used for personal, family, or household purposes. Customer shall comply with all laws and regulations relating to the use and maintenance of the Products. Customer shall put the Products only to the use contemplated by the manufacturer or developer. The Products shall remain personal property regardless of whether it becomes affixed to real property or permanently rests upon any real property or any improvement to real property. Customer authorizes CFS (and any third party filing service designated by CFS) to execute and file (a) financing statements evidencing the interest of CFS in the Products (including forms containing a broader description of the Equipment than the description set forth herein), (b) continuation statements in respect thereof, and (c) amendments thereto, and Customer irrevocably waives any right to notice thereof.

10. MAINTENANCE; ALTERATIONS: Customer shall at all times maintain and keep in effect a service contract, through one of Contractor's Authorized Dealers under the Master Agreement or by other contractual arrangements, to keep and maintain the Equipment in good working order and to supply and install all replacement parts and accessories when required to maintain the Equipment in

good working condition. Customer shall not, without the prior written consent of CFS, make any changes or substitutions to the Equipment. Any and all replacement parts, accessories, authorized changes to and/or substitutions for the Equipment shall become part of the Equipment and subject to the terms of this Agreement.

11. TAXES; OTHER FEES AND CHARGES: CUSTOMER SHALL PAY AND DISCHARGE WHEN DUE ALL LICENSE AND REGISTRATION FEES, ASSESSMENTS, SALES, USE AND OTHER TAXES, together with any applicable penalties and interest now or at any time imposed upon any Products, the Payments, or Customer's performance or non-performance of its obligations hereunder, whether payable by or assessed to CFS or Customer. If Customer fails to pay any such fees, assessments, taxes, expenses or charges as required hereunder, CFS shall have the right but not the obligation to pay those fees, assessments, taxes, expenses and charges, and Customer shall promptly reimburse CFS, upon demand, for all such payments. Notwithstanding the generality of the foregoing, Customer shall not be liable for property taxes, which shall be the sole responsibility of CFS.

12. INSURANCE: Customer, at its sole cost and expense, shall, during the term hereof including all renewals and extensions, obtain, maintain and pay for (a) insurance against the loss, theft, or damage to the Equipment for the full replacement value thereof, and (b) comprehensive public liability and property damage insurance. All such insurance shall provide for a deductible not exceeding \$5,000 and be in form and amount, and with companies satisfactory to CFS. Each insurer providing such insurance shall name CFS as additional insured and loss payee and provide CFS thirty (30) days' written notice before the policy in question shall be materially altered or canceled. Customer shall pay the premiums for such insurance, shall be responsible for all deductible portions thereof, and shall deliver certificates or other evidence of insurance to CFS. The proceeds of such insurance, at the option of CFS, shall be applied to (a) replace or repair the Equipment, or (b) pay CFS the "Remaining Lease Balance," which shall be the sum of: (i) all amounts then owed by Customer to CFS under the lease; plus (ii) the present value of all remaining Payments for the full term of the lease; plus (iii) except in the case of \$1 Buyout Leases, the Fair Market Value of the Products (as defined herein); plus (iv) any applicable taxes, and any expenses, charges or fees which may be payable as otherwise provided herein or in the Master Agreement or the applicable Participating Addendum. For purposes of determining present value, Payments shall be discounted at three percent (3%) per year. Customer hereby appoints CFS as Customer's attorney-in-fact solely to make claim for, receive payment of, and execute and endorse all documents, checks, or drafts for any loss or damage to Equipment under any such insurance policy. If within ten (10) days after CFS' request, Customer fails to deliver satisfactory evidence of such insurance to CFS, then CFS shall have the right, but not the obligation, to obtain insurance covering CFS' interests in the Equipment, and add the costs of acquiring and maintaining such insurance, to the amounts due from Customer with respect to the lease. CFS and any of its affiliates may not make a profit on the foregoing.

13. LOSS; DAMAGE: Customer assumes and shall bear the entire risk of loss, theft of, or damage to the Products from any cause whatsoever, effective upon delivery to the Customer, except that Customer shall be relieved of all risks of loss or damage to the Products during periods of transportation and de-installation. No such loss, theft or damage shall relieve Customer of any obligation with respect to its lease of the Products. If any Equipment is lost or stolen, Customer, at the option of CFS, will (a) replace the same with like equipment in a condition acceptable to CFS and convey clear title to such equipment to CFS (and such equipment will become "Equipment" and be subject to the terms of this Agreement), or (b) pay CFS the Remaining Lease Balance. Upon CFS' receipt of the Remaining Lease Balance, CFS shall transfer the applicable Equipment to Customer "AS-IS, WHERE-IS" without any representation or warranty whatsoever, except for title, and this Agreement shall terminate with respect to such Equipment.

14. DEFAULT: Each of the following is a "default" under these lease terms:

- i) Customer fails to pay any Payment within forty-five (45) days (or as otherwise agreed to in a Participating Addendum) of its due date;
- ii) Any representation or warranty made by Customer in these lease terms or in the Master Agreement is false or incorrect and Customer does not perform any of its obligations under these lease terms or in the Master Agreement, and this failure continues for forty-five (45) days (or as otherwise agreed to in a Participating Addendum) after CFS has notified Customer;
- iii) Customer or any guarantor makes an assignment for the benefit of creditors;
- iv) Any guarantor dies, stops doing business as a going concern, or transfers all or substantially all of such guarantor's assets; or
- i) Customer stops doing business as a going concern or transfers all or substantially all of Customer's assets.

15. REMEDIES: If Customer defaults on a lease, then CFS, in addition to, or in lieu of, the remedies set forth in the Master Agreement, and Participating Addendum, may do one or more of the following:

- i) Cancel or terminate the Order;
- ii) Require Customer to immediately pay to Contractor, as compensation for loss of Contractor's bargain and not as a penalty, a sum equal to the Remaining Lease Balance.

16. ASSIGNMENT: (i) Customer has no right to sell, transfer, encumber, sublet or assign the Product or any lease agreement without Contractor's prior written consent (which consent shall not be unreasonably withheld). (ii) CFS may not sell or assign any portion of CFS' interests in the Products or any Order for leases, without notice to Customer even if less than all the payments have been assigned. In that event, the assignee (the "Assignee") will have such rights as CFS assigns to them, but none of CFS' obligations (CFS will keep those obligations) and the rights of the Assignee will not be subject to any claims, defenses or set offs that Customer may have against CFS.

17. DATA: Customer acknowledges that the hard drive(s) on the Equipment, including attached devices, may retain images, content or other data that Customer may store for purposes of normal operation of the Equipment ("Data"). Customer acknowledges that CFS is not storing Data on behalf of Customer and that exposure or access to the Data by CFS, if any, is purely incidental to the services performed by CFS. CFS does not have an obligation to erase or overwrite Data upon Customer's return of the Products to CFS. This section survives termination or expiration of the lease term under the applicable Order. The terms of this section are without limitation of Contractor's obligations with respect to Data under the Master Agreement, the applicable Participating Addendum, and the applicable Order.

18. MAXIMUM INTEREST; RECHARACTERIZED AGREEMENT: No Payment is intended to exceed the maximum amount of interest permitted to be charged or collected by applicable laws, and any such excess Payment will be applied to payments due under the applicable Order, in inverse order of maturity, and thereafter shall be refunded. If the lease under any Order is characterized as a conditional sale or loan, Customer hereby grants to CFS, its successors and assigns, a security interest in the Products to secure payment and performance of Customer's obligations under such Order.

19. UCC-ARTICLE 2A: CUSTOMER ACKNOWLEDGES AND AGREES THAT EACH ORDER IS INTENDED AS A "FINANCE LEASE" AS THAT TERM IS DEFINED IN ARTICLE 2A OF THE UNIFORM COMMERCIAL CODE ("UCC 2A") AND THAT CFS IS ENTITLED TO ALL BENEFITS,

PRIVILEGES, AND PROTECTIONS OF A LESSOR UNDER A FINANCE LEASE. CUSTOMER WAIVES ITS RIGHTS AS A LESSEE UNDER UCC 2A SECTIONS 508-522.

20. **WAIVER OF OFFSET:** Each Order shall be a net lease. If the Products are not properly installed, do not operate as represented or warranted, or are unsatisfactory for any reason, Customer shall make such claim solely against the supplier, dealer, or manufacturer. Customer waives any and all existing and future claims and offsets against any Payments or other charges due under each Order, and unconditionally agrees to pay such Payments and other charges, regardless of any offset or claim which may be asserted by Customer or on its behalf.

21. **AUTHORITY AND AUTHORIZATION:** Customer represents and agrees that (a) Customer is a state or a political subdivision or agency of a state or other eligible Purchasing Entity under the applicable Participating Addendum; (b) that entering into and performance of each Order is authorized under Customer's state laws and Constitution and does not violate or contradict any judgment, law, order, or regulation, or cause any default under any agreement to which Customer is party; and (c) Customer has complied with any bidding requirements and, where necessary, has properly presented each Order for approval and adoption as a valid obligation on Customer's part. Upon request, Customer agrees to provide CFS with an opinion of counsel as to clauses (a) through (c) above, an incumbency certificate, and other documents that CFS may request, with all such documents being in a form satisfactory to CFS.

22. **GOVERNMENT USE:** Customer agrees that the use of the Products are essential for Customer's proper, efficient and economic operation, Customer will be the only entity to use the Products during the term of the applicable Order and Customer will use the Products only for Customer's governmental purposes. Upon request, Customer agrees to provide CFS with an essential use letter in a form satisfactory to CFS as to the preceding sentence.

You may purchase additional toner from Authorized Dealer if required during the term of the Maintenance Agreement.
- 1.4** You shall bear all risk of loss, theft or damage to unused consumables, which shall remain Authorized Dealer's property and shall be returned promptly upon termination of the Maintenance Agreement.
- 1.5** Unless otherwise indicated, you authorize Authorized Dealer to use networked features of the Equipment including imageWARE to receive software updates, activate features/new licenses and transmit use and service data accumulated by the Equipment over your network by means of an HTTPS protocol and to store, analyze and use such data for purposes related to servicing the Equipment, providing reports and product improvement. You agree to provide meter readings to Authorized Dealer, in accordance with a meter read option made available by Authorized Dealer. Authorized Dealer may change your meter read options from time to time upon 60-day notice. If Authorized Dealer does not receive timely meter readings from you, you agree to pay invoices that reflect Authorized Dealer's estimates of meter readings. Authorized Dealer reserves the right to verify the accuracy of any meter readings from time to time, and to invoice you for any shortfall in the invoice for the next periodic billing cycle.
- 2.
