- k. Data Ownership. Associate acknowledges that Associate has no ownership rights with respect to Protected Information.
- l. Retention of Protected Information. Except upon termination of the Participating Addendum as provided in Section 4(d) of this Addendum, Associate and its Subcontractors or agents shall retain all Protected Information throughout the term of this Participating Addendum and shall continue to maintain the information required under Section 2(h) of this Addendum for a period of six (6) years.
- m. Associate's Insurance. Associate shall maintain insurance to cover loss of PHI data and claims based upon alleged violations of privacy rights through improper use or disclosure of PHI. All such policies shall meet or exceed the minimum insurance requirements of the Participating Addendum (e.g. occurrence basis, combined single dollar limits, annual aggregate dollar limits, additional insured status, and notice of cancellation).
- n. Notice of Privacy Practices. Associate shall be responsible for reviewing CE's Notice of Privacy Practices, available on CE's external website, to determine any requirements applicable to Associate per this Participating Addendum.
- o. Notification of Breach. During the term of this Participating Addendum, Associate shall notify CE within two (2) business days of any suspected or actual breach of security, intrusion, or unauthorized use or disclosure of PHI and/or any actual or suspected use or disclosure of data in violation of any applicable federal or state laws or regulations. Associate shall not initiate notification to affected individuals per the

HIPAA Rules without prior notification and approval of CE. Information provided to CE shall include the identification of each individual whose unsecured PHI has been, or is reasonably believed to have been accessed, acquired, or disclosed during the breach. Associate shall take (i) prompt corrective action to cure any such deficiencies and (ii) any action pertaining to such unauthorized disclosure required by applicable federal and state laws and regulations.

- p. **Audits, Inspection, and Enforcement.** Within ten (10) business days of a written request by CE, Associate and its agents or subcontractors shall allow CE to conduct a reasonable inspection of the facilities, systems, books, records, agreements, policies, and procedures relating to the use or disclosure of Protected Information pursuant to this Addendum for the purpose of determining whether Associate has complied with this Addendum; provided, however, that: (i) Associate and CE shall mutually agree in advance upon the scope, timing, and location of such an inspection; and (ii) CE shall protect the confidentiality of all confidential and proprietary information of Associate to which CE has access during the course of such inspection. The fact that CE inspects, or fails to inspect, or has the right to inspect, Associate's facilities, systems, books, records, agreements, policies, and procedures does not relieve Associate of its responsibility to comply with this Addendum, nor does CE's (i) failure to detect or (ii) detection, but failure to notify Associate or require Associate's remediation of any unsatisfactory practices, constitute acceptance of such practice or a waiver of CE's enforcement rights under the Participating Addendum.
 - q. **Safeguards During Transmission.** Associate shall be responsible for using appropriate safeguards, including encryption of PHI, to maintain and ensure the confidentiality, integrity, and security of Protected Information transmitted pursuant to the Participating Addendum, in accordance with the standards and requirements of the HIPAA Rules.
 - r. **Restrictions and Confidential Communications.** Within ten (10) business days of notice by CE of a restriction upon uses or disclosures or request for confidential communications pursuant to 45 CFR § 164.522, Associate will restrict the use or disclosure of an individual's Protected Information. Associate will not respond directly to an individual's requests to restrict the use or disclosure of Protected Information or to send all communication of Protected Information to an alternate address. Associate will refer such requests to the CE so that the CE can coordinate and prepare a timely response to the requesting individual and provide direction to Associate.
3. **Obligations of CE.**
- a. **Safeguards During Transmission.** CE shall be responsible for using appropriate safeguards, including encryption of PHI, to maintain and ensure the confidentiality, integrity, and security of Protected Information transmitted pursuant to the Participating Addendum, in accordance with the standards and requirements of the HIPAA Rules.
 - b. **Notice of Changes.** CE maintains a copy of its Notice of Privacy Practices on its website. CE shall provide Associate with any changes in, or revocation of, permission to use or disclose Protected Information, to the extent that it may affect Associate's permitted or required uses or disclosures. To the extent that it may affect Associate's permitted use or disclosure of PHI, CE shall notify Associate of any restriction on the

use or disclosure of Protected Information that CE has agreed to in accordance with 45 CFR § 164.522.

4. Termination.

- a. Material Breach. In addition to any other provisions on the Participating Addendum regarding breach, a breach by Associate of any provision of this Addendum, as determined by CE, shall constitute a material breach of this Participating Addendum and shall provide grounds for immediate termination of this Participating Addendum by CE pursuant to the provisions of the Participating Addendum covering termination for cause, if any. If the Participating Addendum contains no express provisions regarding termination for cause, the following terms and conditions shall apply:
- (1) Default. If Associate refuses or fails to timely perform any of the provisions of this Participating Addendum, CE may notify Associate in writing of the non-performance, and if not promptly corrected within the time specified, CE may terminate this Participating Addendum. Associate shall continue performance of this Participating Addendum to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services elsewhere.
 - (2) Associate's Duties. Notwithstanding termination of this Participating Addendum, and subject to any directions from CE, Associate shall take timely, reasonable, and necessary action to protect and preserve property in the possession of Associate in which CE has an interest.
 - (3) Compensation. Payment for completed supplies delivered and accepted by CE shall be at the Participating Addendum Price. In the event of a material breach under paragraph 4a, CE may withhold amounts due Associate as CE deems necessary to protect CE against loss from third-party claims of improper use or disclosure and to reimburse CE for the excess costs incurred in procuring similar goods and services elsewhere.
 - (4) Erroneous Termination for Default. If after such termination it is determined, for any reason, that Associate was not in default, or that Associate's action/inaction was excusable, such termination shall be treated as a termination for convenience, and the rights and obligations of the parties shall be the same as if this Participating Addendum had been terminated for convenience, as described in this Participating Addendum.
- b. Reasonable Steps to Cure Breach. If CE knows of a pattern of activity or practice of Associate that constitutes a material breach or violation of the Associate's obligations under the provisions of this Addendum or another arrangement and does not terminate this Participating Addendum pursuant to Section 4(a), then CE shall take reasonable steps to cure such breach or end such violation. If CE's efforts to cure such breach or end such violation are unsuccessful, CE shall either (i) terminate the Participating Addendum, if feasible or (ii) if termination of this Participating Addendum is not feasible, CE shall report Associate's breach or violation to the Secretary of the Department of Health and Human Services. If Associate knows of a pattern of activity or practice of a Subcontractor or agent that constitutes a material breach or violation of the Subcontractor's or agent's obligations under the written agreement between

Associate and the Subcontractor or agent, Associate shall take reasonable steps to cure such breach or end such violation, if feasible.

- c. Judicial or Administrative Proceedings. Either party may terminate the Participating Addendum, effective immediately, if (i) the other party is named as a defendant in a criminal proceeding for a violation of the HIPAA Rules or other security or privacy laws or (ii) a finding or stipulation that the other party has violated any standard or requirement of the HIPAA Rules or other security or privacy laws is made in any administrative or civil proceeding in which the party has been joined.
- d. Effect of Termination.
 - (1) Except as provided in paragraph (2) of this subsection, upon termination of this Participating Addendum, for any reason, Associate shall return or destroy all Protected Information that Associate or its agents or Subcontractors still maintain in any form, and shall retain no copies of such Protected Information. If associate elects to destroy the PHI, Associate shall certify in writing to CE that such PHI has been destroyed.
 - (2) If Associate believes that returning or destroying the Protected Information is not feasible, Associate shall promptly provide CE notice of the conditions making return or destruction infeasible. Associate shall continue to extend the protections of Sections 2(a), 2(b), 2(c), 2(d), and 2(e) of this Addendum to such Protected Information, and shall limit further use of such PHI to those purposes that make the return or destruction of such PHI infeasible.
5. Injunctive Relief. CE shall have the right to injunctive and other equitable and legal relief against Associate or any of its Subcontractors or agents in the event of any use or disclosure of Protected Information in violation of this Participating Addendum or applicable law.
6. No Waiver of Immunity. No term or condition of this Participating Addendum shall be construed or interpreted as a waiver, express or implied, of any of the immunities, rights, benefits, protection, or other provisions of the Colorado Governmental Immunity Act, CRS § 24-10-101 et seq. or the Federal Tort Claims Act, 28 USC § 2671 et seq. as applicable, as now in effect or hereafter amended.
7. Limitation of Liability. Any limitation of Associate's liability in the Participating Addendum shall be inapplicable to the terms and conditions of this Addendum.
8. Disclaimer. CE makes no warranty or representation that compliance by Associate with this Participating Addendum or the HIPAA Rules will be adequate or satisfactory for Associate's own purposes. Associate is solely responsible for all decisions made by Associate regarding the safeguarding of PHI.
9. Certification. To the extent that CE determines an examination is necessary in order to comply with CE's legal obligations pursuant to the HIPAA Rules relating to certification of its security practices, CE or its authorized agents or contractors may, at CE's expense, examine Associate's facilities, systems, procedures, and records as may be necessary for such agents or contractors to certify to CE the extent to which Associate's security safeguards comply with the HIPAA Rules or this Addendum.

10. Amendment.

- a. Amendment to Comply with Law. The parties acknowledge that state and federal laws relating to data security and privacy are rapidly evolving and that amendment of this Addendum may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to implement the standards and requirements of the HIPAA Rules and other applicable laws relating to the confidentiality, integrity, availability, and security of PHI. The parties understand and agree that CE must receive satisfactory written assurance from Associate that Associate will adequately safeguard all Protected Information and that it is Associate's responsibility to receive satisfactory written assurances from Associate's Subcontractors and agents. Upon the request of either party, the other party agrees to promptly enter into negotiations concerning the terms of an amendment to this Addendum embodying written assurances consistent with the standards and requirements of the HIPAA Rules or other applicable laws. CE may terminate this Participating Addendum upon thirty (30) days' written notice in the event (i) Associate does not promptly enter into negotiations to amend this Participating Addendum when requested by CE pursuant to this Section, or (ii) Associate does not enter into an amendment to this Participating Addendum providing assurances regarding the safeguarding of PHI that CE, in its sole discretion, deems sufficient to satisfy the standards and requirements of the HIPAA Rules.
- b. Amendment of Attachment A. Attachment A may be modified or amended by mutual agreement of the parties in writing from time to time without formal amendment of this Addendum.

11. Assistance in Litigation or Administrative Proceedings. Associate shall make itself, and any Subcontractors, employees, or agents assisting Associate in the performance of its obligations under the Participating Addendum, available to CE, at no cost to CE up to a maximum of thirty (30) hours, to testify as witnesses, or otherwise, in the event of litigation or administrative proceedings being commenced against CE, its directors, officers, or employees based upon a claimed violation of the HIPAA Rules or other laws relating to security and privacy or PHI, except where Associate or its Subcontractor, employee, or agent is a named adverse party.

12. No Third-Party Beneficiaries. Nothing express or implied in this Participating Addendum is intended to confer, nor shall anything herein confer, upon any person other than CE, Associate, and their respective successors or assigns, any rights, remedies, obligations, or liabilities whatsoever.

13. Interpretation and Order of Precedence. The provisions of this Addendum shall prevail over any provisions in the Participating Addendum that may conflict or appear inconsistent with any provision in this Addendum. Together, the Participating Addendum and this Addendum shall be interpreted as broadly as necessary to implement and comply with the HIPAA Rules. The parties agree that any ambiguity in this Participating Addendum shall be resolved in favor of a meaning that complies and is consistent with the HIPAA Rules. This Participating Addendum supersedes and replaces any previous separately executed HIPAA addendum between the parties.

14. Survival of Certain Participating Addendum Terms. Notwithstanding anything herein to the contrary, Associate's obligations under Section 4(d) ("Effect of Termination") and Section 12 ("No Third-Party Beneficiaries") shall survive termination of this Participating Addendum and shall be enforceable by CE as provided herein in the event of such failure to perform or comply by the

Associate. This Addendum shall remain in effect during the term of the Participating Addendum including any extensions.

15. Representatives and Notice.

- a. Representatives. For the purpose of the Participating Addendum, the individuals identified elsewhere in this Participating Addendum shall be the representatives of the respective parties. If no representatives are identified in the Participating Addendum, the individuals listed below are hereby designated as the parties' respective representatives for purposes of this Participating Addendum. Either party may from time to time designate in writing new or substitute representatives.
