Contractor shall promptly cease performing work and incurring costs in accordance with the State's directive, and neither the State nor any Purchasing Entity shall not be liable for costs incurred by Contractor after the suspension of performance.

b. Removal

- iii. Payments and Damages
 - a. Notwithstanding anything to the contrary, Purchasing Entities shall only be obligated to pay Contractor for accepted Work received as of the date of termination. A Purchasing Entity may withhold any amount that may be due Contractor as the Purchasing Entity deems necessary until Contractor corrects its Work or to protect itself against loss including, without limitation, loss as a result of outstanding liens and costs incurred by the Purchasing Entity in procuring from third parties replacement Work as cover.
 - b. Notwithstanding any other remedial action by the State, Contractor shall remain liable to the State or appropriate Purchasing Entity for any damages sustained by the State or Purchasing Entity in connection with any breach by Contractor, and the Purchasing Entity may withhold payment to Contractor for the purpose of mitigating the Purchasing Entity's damages.
