Contractor personnel shall work cooperatively with State and Purchasing Entity staff to ensure the completion of the Work.

A. Ordering and Order Fulfillment

i. Ordering

- a. Contractor shall provide a complete and accurate Internal Revenue Service form W9 to the State prior to accepting an Order from any Purchasing Entity. Upon a request by a Purchasing Entity, Contractor shall provide a complete and accurate Internal Revenue Service form W9 to that Purchasing Entity.

A. Payments Under Orders

- i. Contractor shall allow the State and Purchasing Entities to use a procurement card or other credit card to make payments under any Order, in addition to any other payment procedure available to the State or Purchasing Entity.

B. Payment Procedures

i. Invoices

Contractor shall invoice each Purchasing Entity in accordance with that Purchasing Entity's Order. Contractor shall not invoice the State under any Order unless the State issued that Order. Contractor shall allow 45 days for the State and Purchasing Entities to pay an invoice following the receipt of the invoice, unless the State or a Purchasing Entity specifically agrees to a shorter time in an Order. State law and regulations provide that State payments made within 45 days are not considered delinquent, and unless otherwise agreed, State Purchasing Entities will pay interest on any unpaid balance beginning on the 45th day at the rate of 1% per month until paid in full; provided, however, that interest shall not accrue on unpaid amounts that are the subject of a good faith dispute regarding the obligation to pay all or a portion of the liability. Contractor shall invoice State Ordering Entities separately for accrued interest on delinquent amounts due. The billing shall reference the delinquent payment, the number of day's interest to be paid, and the applicable interest rate. (§ 24-30-202(24), C.R.S., as amended.)

ii. Payment Disputes

Unless different procedures are specified in an Order, if Contractor disputes any calculation, determination or amount of any payment, Contractor shall notify the Purchasing Entity issuing the Order in writing of its dispute within 30 days following the earlier to occur of Contractor's receipt of the payment or notification of the determination or calculation of the payment by that Purchasing Entity. The Purchasing Entity will review the information presented by Contractor and may make changes to its determination based on this review. The calculation, determination or payment amount that results from the Purchasing Entity's review shall not be subject to additional dispute under this subsection. No payment subject to a dispute under this subsection shall be due until after the Purchasing Entity has concluded its review, and

the Purchasing Entity shall not pay any interest on any amount during the period it is subject to dispute under this subsection.

iii. Available Funds-Contingency-Termination of Order

Purchasing Entities, except for authorized non-profit entities, are prohibited by law from making commitments beyond the term of the current Purchasing Entity's Fiscal Year. Payment to Contractor beyond the current Purchasing Entity's Fiscal Year is contingent on the appropriation and continuing availability of Contract Funds in any subsequent year (See Colorado Special Provision). If federal funds, non-State funds or funds from any other source constitute all or some of the Contract Funds, the Purchasing Entity's obligation to pay Contractor shall be contingent upon such funding continuing to be made available for payment. Orders under this Participating Addendum shall be made only from Contract Funds, and the Purchasing Entity's liability for such payments shall be limited to the amount remaining of such Contract Funds. If State, federal or other Purchasing Entity funds are not appropriated, or otherwise become unavailable to fund an Order under this Participating Addendum, the Purchasing Entity may, upon written notice, terminate the Order, in whole or in part, without incurring further liability. The Purchasing Entity shall, however, remain obligated to pay for Services and Goods that are delivered and accepted prior to the effective date of notice of termination of Order. A State Purchasing Entity Order termination shall otherwise be treated as if the Order was terminated in the public interest as described in §3. E. of this Exhibit A.

The Purchasing Entity may effect such termination by giving Contractor a written notice of termination, to the Contractor's primary contact in accordance with §5 of the Participating Addendum, and by paying to Contractor any amounts which are due and have not been paid through the last day of the Fiscal Year for which appropriated funds are available. The Purchasing Entity shall endeavor to give notice of such termination not less than 30 days prior to the day of non-availability of funds, and shall notify Contractor of any anticipated termination.

iv. Discount and Delinquency Period

Any applicable cash discount period or delinquency period for the amounts shown on an invoice shall begin on the date the Purchasing Entity's approves of the invoice, or from the date of receipt of acceptable Goods or Services at the specified destination by an authorized Purchasing Entity representative, whichever is later.

7. PAYMENTS TO STATE

- A. Each State Fiscal Year quarter, Contractor shall, using a form as directed by the State, calculate an Administrative Fee equal to 1% of the total sales made under Orders during that State Fiscal Year quarter. Contractor shall pay the State the Administrative Fee for each State Fiscal Year quarter within 45 days following the end of that State Fiscal Year quarter.

A listing of each item purchased in the sale, including the name of the item, the quantity of the item, the unit price for the item, the extended price for the item calculated by multiplying the unit price by the quantity, the list price per unit for the item, the extended list price for the item calculated by multiplying the quantity by the list price, and the savings on the item calculated by subtracting the extended cost from the extended list price.
 - d. Any other detail information as reasonably requested by the State and subject to Contractor's existing system capabilities. Such information shall not be unreasonably withheld.

B. Additional Operational Reporting

The BCR-P shall be binding on the Customer by means of the third-party rights set out in Clause 4.1 of the BCR-P which shall include the right to enforce the BCR-P against HPE, including judicial remedies and the right to receive compensation. The BCR-P includes the intercompany agreement and the applicable policies and procedures which form HPE's Binding Corporate Rules for Processors as they apply to the Customer and as developed, amended or updated by HPE from time to time in accordance with the applicable Working Documents adopted by the Article 29 Working Party (and subsequently the European Data Protection Board). A copy of the documentation comprising the BCR-P, which is incorporated by reference and is an integral part of this DPSA, is available to Customer upon written request. Customer shall inform data subjects regarding the existence of Processors outside of the EU/EEA/Switzerland and of Customer's reliance on the BCR-P as required by Privacy Laws and shall make available to data subjects upon request a link to HPE's BCR Rights Notice at hpe.com/uk/en/privacy/binding-corporate-rules.html. For EU Model Contract transfers, HPE hereby grants Customer the right to benefit from, and Customer hereby agrees to be bound to, the EU Model Contracts executed by HPE with Sub-processors as if Customer executed such EU Model Contracts as the controller.

- 10.3.1. When interpreting the EU Model Contract, the term "Member State in which the data exporter is established" will be interpreted to mean (as appropriate) Switzerland or the EU or EEA member state in which the Data Exporter (as defined in the EU Model Contract) is established.
- 10.3.2. In the case of any conflict between the EU Model Contract, the terms of this DPSA, and the Agreement, to the extent HPE Processes the Personal Data of EEA or Swiss residents, the EU Model Contract shall prevail but only to the extent necessary to resolve the conflict or inconsistency.
- 10.3.3. Any audit pursuant to an EU Model Contract shall be conducted in accordance with the general procedures for audits provided in the Agreement and Exhibit A except to the extent expressly required by a regulatory authority or Privacy Laws. Customer shall use commercially reasonable efforts to notify the regulatory authority of the audit requirements of the Agreement and to request that the audit be conducted in accordance with those requirements.
- 10.3.4. Any losses suffered by the parties or their respective affiliates under the EU Model Contract shall be treated as if they had been suffered by Customer or HPE respectively and shall in all cases be recovered by Customer or HPE subject to any limits on that party's liability in the Agreement. Nothing in this Section shall limit the liability of either party in relation to a claim by a data subject under an EU Model Contract.
- 10.3.5. In the event that EU Model Contracts are no longer a valid transfer mechanism or where HPE commits to an alternative valid transfer mechanism (e.g. Binding Corporate Rules for Processors), HPE shall notify Customer of the mechanism and seek Customer's agreement to rely on this mechanism instead of the EU Model Contract.
