

## State of CO Prescription Safety Glasses Program

### MSC INDUSTRIAL SUPPLY

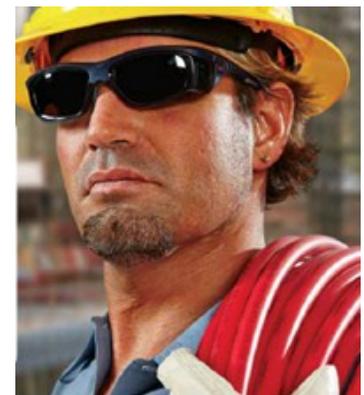

- Sponsored by MSC Industrial Supply (dba), Sid Tool Company through the Colorado State Price Agreement #45000YYY13P / CORE #2015-0000-0000-143, and NASPO/Nevada Master Agreement #1862.
- MSC has partnered with 3M to bring this Program to the State of Colorado
- Over 70 participating Eye Care Professionals in the State of Colorado

### Basic Package & Local Dispensing

- Any 3M plastic frame style. More than 20 styles to choose from, in a variety of designs, shapes and colors. From stylish ophthalmic designs to close-fitting wrap frames
- Any lens style: Single Vision, Bifocals and Trifocals, even Progressive Addition Lenses!
- Featuring Polycarbonate lens material. Recommended as the most impact resistant material available in the market. Solid or gradient tint.
- Premium coatings to increase durability and wear time. NEW Scotchgard Easy Clean Coating, Anti-Fog Coating
- Sideshields – Integrated, detachable or permanently attached

### Enhanced Package & Local Dispensing

- All options included in the Basic Package ... PLUS
- Any 3M frame style – plastic or metal. In addition to the more than 20 plastic frame styles to choose from, select any 3M metal frame design, including lightweight stainless steel and titanium choices.
- For an additional Price, customers can upgrade to a Sunglass Option featuring either Photochromic or Polarized lenses from either the Basic or Enhanced Package.
