LED saves more than just energy

- Each bulb uses 80% less energy and can save up to \$135.00 in energy costs over its lifetime.
- They can last up to 25 times longer than traditional bulbs.
- They emit almost no heat, reducing cooling costs that can add up throughout your facility.

PHILIPS

How does it work?

- The product will be discounted at the point of sale, and no additional paperwork is required.
- All screw in LED Energy Star GE, Philips, Cree & EiKO bulbs will qualify.
- Only the Havells LED bulbs above will qualify.
- Offer good until December 31st, 2015
