iii. Available Funds-Contingency-Termination

The State is prohibited by law from making commitments beyond the term of the State’s current fiscal year. Therefore, Contractor’s compensation beyond the State’s current Fiscal Year is contingent upon the continuing availability of State appropriations as provided in the Colorado Special Provisions. If federal funds are used to fund this Contract, in whole or in part, the State’s performance hereunder is contingent upon the continuing availability of such funds. Payments pursuant to this Contract shall be made only from available funds encumbered for this Contract and the State’s liability for such payments

shall be limited to the amount remaining of such encumbered funds. If State or federal funds are not appropriated, or otherwise become unavailable to fund this Contract, the State may terminate this Contract immediately, in whole or in part, without further liability in accordance with the provisions hereof.

If the State's principal representative is not then serving, such notice and copies shall be delivered to the Executive Director of Colorado Department of Revenue.

Copies of any and all subcontracts entered into by Contractor to perform its obligations hereunder shall be submitted to the State or its principal representative upon request by the State. Any and all subcontracts entered into by Contractor related to its performance hereunder shall comply with all applicable federal and state laws and shall provide that such subcontracts be governed by the laws of the State of Colorado.

The State reserves the right to inspect the Work at all reasonable times and places during the term of this Contract, including any extensions or renewals. If the Work fails to conform

to the requirements of this Contract, the State may require Contractor promptly to bring the Work into conformity with Contract requirements, at Contractor's sole expense. If Contractor executes the scan, Contractor shall report results to the State. Such reports shall be defined by the State. Contractor shall also provide antivirus software for the System and provide antivirus information to the State as requested by State.

If Contractor retains, stores, or is given protected or confidential information of the State, the Contractor at all times shall maintain, and shall cause its Subcontractors to maintain, Network, System, and application security, which includes Network firewalls, intrusion detection, and annual security testing. If Contractor retains, stores, or is given protected or confidential information of the State, Contractor shall comply and shall cause its Subcontractors to comply, with State and federal regulations and guidelines related to security, confidentiality and auditing, including but not limited to regulations and guidelines issues by the Federal Bureau of Investigation (FBI), the U.S. Department of Homeland Security (DHS), the Governor's Division of Homeland Security and Emergency Management (DHSEM), the Colorado Bureau of Investigation (CBI), and the Governor's Office of Information Security (OIS). If Contractor retains, stores, or is given protected or confidential information of the State, the Contractor shall ensure, and shall cause its Subcontractors to ensure, that security is not compromised by unauthorized access to computers, programs, software, databases, or other electronic environments and shall promptly report all breaches or attempted breaches to the State's security director and the Governor's Office of Information Security or Contractor's authorized designee.

Contractor shall present such analysis and remediation plan to the State within ten (10) Days of notifying the State of the data security breach. The State reserves the right to adjust this plan, in its sole discretion. If Contractor cannot produce the required analysis and plan within the allotted time, the State, in its sole discretion, may perform such analysis, produce a remediation plan, and Contractor shall reimburse the State for reasonable costs thereof. The Contractor shall notify all of its agents, employees, subcontractors and assigns who will come into contact with State information that they are subject to the confidentiality requirements set forth herein, and shall provide each with a written explanation of the requirements before they are permitted to access information or data.

Contractor acknowledges that any breach of PII is a material breach of this Contract. Contractor shall notify the State immediately of any breach or suspected breach, but in no event later than twenty-four (24) hours after Contractor learns of suspected breach. The State may establish required remediation procedures and Contractor shall comply without limitation as directed by the State. Contractor shall bear all costs of such remediation.

H. Disclosure-Liability

Disclosure of State records or other confidential information by Contractor for any reason may be cause for legal action by third parties against Contractor, the State or their respective agents. Contractor shall indemnify, save, and hold harmless the State, its employees and agents, against any and all claims, damages, liability and court awards including costs, expenses, and attorney fees and related costs, incurred as a result of any act or omission by Contractor, or its employees, agents, Subcontractors, or assignees pursuant to this §10.

The Parties agree that on the termination of the provision of data processing services, Contractor shall, at the choice of the State, return all the personal data transferred, and the copies thereof to the State, or shall destroy all the personal data and certify to the State that it has done so, unless legislation imposed upon Contractor prevents it from returning or destroying all or part of the data transferred. Any data which is neither transferred nor destroyed shall be maintained for a period not to exceed the Records Retention Period set forth in §9.B herein.

J. Disposition of Data

The State retains the right to use the established operational services to access and retrieve State data content stored on Contractor's infrastructure at its sole discretion. Contractor and Subcontractor warrant that upon request of the State and/or of the supervisory authority, Contractor will submit its data processing facilities for an audit of the measures

referred to in §9. The State reserves all right, title and interest, including all proprietary rights, in and to System data and content.

11. CONFLICTS OF INTEREST

Contractor shall not engage in any business or personal activities or practices or maintain any relationships which conflict in any way with the full performance of Contractor’s obligations hereunder. Contractor acknowledges that with respect to this Contract, even the appearance of a conflict of interest is harmful to the State’s interests. Absent the State’s prior written approval, Contractor shall refrain from any practices, activities or relationships that reasonably appear to be in conflict with the full performance of Contractor’s obligations to the State hereunder. If a conflict or appearance exists, or if Contractor is uncertain whether a conflict or the appearance of a conflict of interest exists, Contractor shall submit to the State a disclosure statement setting forth the relevant details for the State’s consideration. Failure to promptly submit a disclosure statement or to follow the State’s direction in regard to the apparent conflict constitutes a breach of this Contract.

12. REPRESENTATIONS AND WARRANTIES

Contractor makes the following specific representations and warranties, each of which was relied on by the State in entering into this Contract.

C. Licenses, Permits, Etc.

Contractor represents and warrants that as of the Effective Date it has, and that at all times during the term hereof it shall have and maintain, at its sole expense, all licenses, certifications, approvals, insurance, permits, and other authorizations required by law to perform its obligations hereunder. 14. BREACH

A. Defined

In addition to any breaches specified in other sections of this Contract, the failure of either Party to perform any of its material obligations hereunder, in whole or in part or in a timely or satisfactory manner, constitutes a breach. The institution of proceedings under any bankruptcy, insolvency, reorganization or similar law, by or against Contractor, or the appointment of a receiver or similar officer for Contractor or any of its property, which is not vacated or fully stayed within 20 days after the institution or occurrence thereof, shall also constitute a breach.

B. Notice and Cure Period

In the event of a breach, notice of such shall be given in writing by the aggrieved Party to the other Party in the manner provided in §16. If such breach is not cured within 30 days of receipt of written notice, or if a cure cannot be completed within 30 days, or if cure of the breach has not begun within 30 days and pursued with due diligence, the State may exercise any of the remedies set forth in §15. Notwithstanding anything to the contrary herein, the State, in its sole discretion, need not provide advance notice or a cure period and may immediately terminate this Contract in whole or in part if reasonably necessary to preserve public safety or to prevent immediate public crisis.

15. REMEDIES

If Contractor is in breach under any provision of this Contract, the State shall have all of the remedies listed in this §15 in addition to all other remedies set forth in other sections of this Contract following the notice and cure period set forth in §14(B). The State may exercise any or all of the remedies available to it, in its sole discretion, concurrently or consecutively.

A. Termination for Cause and/or Breach

The State may terminate this entire Contract or any part of this Contract. Exercise by the State of this right shall not be a breach of its obligations hereunder. Contractor shall continue performance of this Contract to the extent not terminated, if any.

i. Obligations and Rights

To the extent specified in any termination notice, Contractor shall not incur further obligations or render further performance hereunder past the effective date of such notice, and shall terminate outstanding orders and subcontracts with third parties. However, Contractor shall complete and deliver to the State all Work, Services and Goods not cancelled by the termination notice and may incur obligations as are necessary to do so within this Contract's terms. At the sole discretion of the State, Contractor shall assign to the State all of Contractor's right, title, and interest under such terminated orders or subcontracts. Upon termination, Contractor shall take timely, reasonable and necessary action to protect and preserve property in the possession of Contractor in which the State has an interest. All materials owned by the State in the possession of Contractor shall be immediately returned to the State. All Work Product, at the option of the State, shall be delivered by Contractor to the State and shall become the State's property.

ii. Payments

The State shall reimburse Contractor only for accepted performance up to the date of termination. If, after termination by the State, it is determined that Contractor was not in breach or that Contractor's action or inaction was excusable, such termination shall be treated as a termination in the public interest and the rights and obligations of the Parties shall be the same as if this Contract had been terminated in the public interest, as described herein.

iii. Damages and Withholding

Notwithstanding any other remedial action by the State, Contractor shall remain liable to the State for any damages sustained by the State by virtue of any breach under this Contract by Contractor and the State may withhold any payment to Contractor for the purpose of mitigating the State's damages, until such time as the exact amount of damages due to the State from Contractor is determined. The State may withhold any amount that may be due Contractor as the State deems necessary to protect the State against loss, including loss as a result of outstanding liens, claims of former lien holders, or for the excess costs incurred in procuring similar goods or services. Contractor shall be liable for excess costs

incurred by the State in procuring from third parties replacement Work, Services or substitute Goods as cover.

B. Early Termination in the Public Interest

The State is entering into this Contract for the purpose of carrying out the public policy of the State of Colorado, as determined by its Governor, General Assembly, and/or Courts. If this Contract ceases to further the public policy of the State, the State, in its sole discretion, may terminate this Contract in whole or in part. Exercise by the State of this right shall not constitute a breach of the State’s obligations hereunder. This subsection shall not apply to a termination of this Contract by the State for cause or breach by Contractor, which shall be governed by §15(A) or as otherwise specifically provided for herein.

i. Method and Content

The State shall notify Contractor of such termination in accordance with §16. The notice shall specify the effective date of the termination and whether it affects all or a portion of this Contract.

ii. Obligations and Rights

Upon receipt of a termination notice, Contractor shall be subject to and comply with the same obligations and rights set forth in §15(A)(i).

iii. Payments

If this Contract is terminated by the State pursuant to this §15(B), Contractor shall be paid an amount which bears the same ratio to the total reimbursement under this Contract as Contractor’s obligations that were satisfactorily performed bear to the total obligations set forth in this Contract, less payments previously made. Additionally, if this Contract is less than 60% completed, the State may reimburse Contractor for a portion of actual out-of-pocket expenses (not otherwise reimbursed under this Contract) incurred by Contractor which are directly attributable to the uncompleted portion of Contractor’s obligations hereunder; provided that the sum of any and all reimbursement shall not exceed the maximum amount payable to Contractor hereunder.

C. Remedies Not Involving Termination

The State, in its sole discretion, may exercise one or more of the following remedies in addition to other remedies available to it:

i. Suspend Performance

Suspend Contractor’s performance with respect to all or any portion of this Contract pending necessary corrective action as specified by the State without entitling Contractor to an adjustment in price/cost or performance schedule. Contractor shall promptly cease performance and incurring costs in accordance with the State’s directive and the State shall not be liable for costs incurred by Contractor after the suspension of performance under this provision.

ii. Withhold Payment

Withhold payment to Contractor until corrections in Contractor’s performance are satisfactorily made and completed.

iii. Deny Payment

Deny payment for those obligations not performed, that due to Contractor’s actions or inactions, cannot be performed or, if performed, would be of no value to the State; provided, that any denial of payment shall be reasonably related to the value to the State of the obligations not performed.

iv. Removal

Notwithstanding any other provision herein, the State may demand immediate removal of any of Contractor’s employees, agents, or Subcontractors whom the State deems incompetent, careless, insubordinate, unsuitable, or otherwise unacceptable, or whose continued relation to this Contract is deemed to be contrary to the public interest or the State’s best interest.

v. Intellectual Property

If Contractor infringes on a patent, copyright, trademark, trade secret or other intellectual property right while performing its obligations under this Contract, Contractor shall, at the State’s option (a) obtain for the State or Contractor the right to use such products and services; (b) replace any Goods, Services, or other product involved with non-infringing products or modify them so that they become non-infringing; or, (c) if neither of the foregoing alternatives are reasonably available, remove any infringing Goods, Services, or products and refund the price paid therefore to the State.

16. NOTICES and REPRESENTATIVES

Each individual identified below is the principal representative of the designating Party. All notices required to be given hereunder shall be hand delivered with receipt required or sent by certified or registered mail to such Party’s principal representative at the address set forth below. In addition to, but not in lieu of a hard-copy notice, notice also may be sent by e-mail to the e-mail addresses, if any, set forth below. The State’s exclusive rights in such Work Product shall include, but not be limited to, the right to copy, publish, display, transfer, and prepare derivative works. Contractor’s performance shall be subject to Evaluation and Review in accordance with the terms and conditions of this Contract, State law, including CRS §24-103.5-101, and State Fiscal Rules, Policies and Guidance. Evaluation and Review of Contractor’s performance shall be part of the normal contract administration process and Contractor’s performance will be systematically recorded in the statewide Contract Management System. Areas of Evaluation and Review shall include, but shall not be limited to quality, cost and timeliness. Collection of information relevant to the performance of Contractor’s obligations under this Contract shall be determined by the specific requirements of such obligations and

Such performance information shall be entered into the statewide Contract Management System at intervals established herein and a final Evaluation, Review and Rating shall be rendered within 30 days of the end of the Contract term. Contractor shall be notified following each performance Evaluation and Review, and shall address or correct any identified problem in a timely manner and maintain work progress.

Should the final performance Evaluation and Review determine that Contractor demonstrated a gross failure to meet the performance measures established hereunder, the Executive Director of the Colorado Department of Personnel and Administration (Executive Director), upon request by the Colorado Department of Revenue, and showing of good cause, may debar Contractor and prohibit Contractor from bidding on future contracts. Contractor may contest the final Evaluation, Review and Rating by: (a) filing rebuttal statements, which may result in either removal or correction of the evaluation (CRS §24-105-102(6)), or (b) under CRS §24-105-102(6), exercising the debarment protest and appeal rights provided in CRS §§24-109-106, 107, 201 or 202, which may result in the reversal of the debarment and reinstatement of Contractor, by the Executive Director, upon a showing of good cause.

Such exemptions apply when materials are purchased or services are rendered to benefit the State; provided however, that certain political subdivisions (e.g., City of Denver) may require payment of sales or use taxes even though the product or service is provided to the State. Contractor shall be solely liable for paying such taxes as the State is prohibited from paying or reimbursing Contractor for such taxes.

M. Third Party Beneficiaries

Enforcement of this Contract and all rights and obligations hereunder are reserved solely to the Parties. Any services or benefits which third parties receive as a result of this Contract are incidental to the Contract, and do not create any rights for such third parties.

N. Waiver

Waiver of any breach under a term, provision, or requirement of this Contract, or any right or remedy hereunder, whether explicitly or by lack of enforcement, shall not be construed or deemed as a waiver of any subsequent breach of such term, provision or requirement, or of any other term, provision, or requirement.

O. CORA Disclosure

To the extent not prohibited by federal law, this Contract and the performance measures and standards under CRS §24-103.5-101, if any, are subject to public release through the Colorado Open Records Act, CRS §24-72-101, et seq.

[Insert positions]

Key personnel assigned to this Contract shall not be reassigned unless agreed to by the State. The Contractor shall notify the State of the identity of a departing key individual as soon as the Contractor receives notice of the departure, and of the identity of the individual the Contractor intends to have occupy this position. The State shall have the final approval of any key individual(s) the Contractor intends to perform services pursuant to the Contract. Such approval shall not be unreasonably withheld or delayed. In the event that the State denies access to, or requests removal of specific Contractor personnel, the Contractor shall provide acceptable replacement with no impact to the Contract.

The Contractor shall commit to the level of service outlined in **Exhibit C**. The Contractor shall ensure that the same level of service (number and experience of people and hours) committed to in **Exhibit C** be maintained throughout the term of this Contract, including extensions.

Q. Gifts / Gratuities

The Contractor shall not, by itself or through any officer, director, employee, agent, partner, subcontractor or other representative, offer, give, grant, or otherwise deliver any gift, gratuity, or anything of monetary or non-monetary value to any employee of the State or to any member of his/her immediate family or anyone living in his/her household. Failure by the Contractor to ensure compliance with this provision may result, in the State’s sole discretion, in immediate termination of the Contract or other remedies available in the Contract.

R. Non-Exclusive Rights

It is understood and agreed by the Contractor that the State does not grant the Contractor exclusive rights to provide the products and/or services under this Contract. The State reserves the right to contract with and purchase products and services from persons and entities other than the Contractor, as may be in the best interest of the State. This Contract shall remain in full force and effect should the State enter into other contracts for the same or similar goods and services as provided under this Contract.

S. Press Contacts/News Releases

The Contractor shall not initiate any press and/or media contact nor respond to press/media requests regarding this Contract and/or any related matters concerning the State without the prior written approval of the State.

T. Cooperation of the Parties

The Contractor and the State agree to cooperate fully, to work in good faith, and to mutually assist each other in the performance of this Contract. In connection herewith, the parties shall meet to resolve problems associated with this Contract. Neither party will unreasonably withhold its approval of any act or request of the other to which the party’s approval is necessary or desirable.

U. Liquidated Damages

The Parties agree that the damages from the breach of this Contract are difficult to prove or estimate, and the amount of liquidated damages specified herein represents a reasonable estimation of damages that will be suffered by the State from delayed performance, degraded performance, and/or failure to perform in accordance with the requirements set forth in this Contract. Under each of the circumstances set forth below, the Parties acknowledge and agree that the State would suffer substantial economic damages and loss of goodwill and public confidence arising from the delayed or incomplete or degraded performance specified. The Goods and Services to be provided under this Contract are not readily available on the open market. In light of the certainty of damage and the inherent difficulty of calculating such damages at the time of breach, the Parties intend to utilize the provisions as set forth below to agree in advance as to a reasonable and appropriate figure on which to assess liquidated damages. It is the mutual intention of the

Parties that this §20.U provide for liquidated damages to compensate the State for any event set forth in the subsections below, rather than to penalize Contractor should such an event occur.

In no case shall liquidated damages be measured in terms of potential lost revenue or potential lost net profit to the Lottery, unless and to the extent that court of competent jurisdiction should determine that a liquidated damages provision is in unenforceable as a matter of law

Unless otherwise specified in the Section, “Day” or “calendar Day” for purposes of this §20.LL shall be defined as a 24-hour period, commencing at 12:00a.m. and ending at 11:59pm.

Assessment of liquidated damages shall be in addition to, and not in lieu of, such other remedies as may be available to the Lottery. Except and to the extent expressly provided herein, the Lottery shall be entitled to recover liquidated damages under each section applicable to any given incident.

U.1 Notification of Liquidated Damages

Upon determination that liquidated damages may be assessed, the Lottery shall notify Contractor of the assessment in writing. The availability of any period of cure will depend on the situation and will be in the sole discretion of the Lottery.

U.2 Conditions for Termination of Liquidated Damages

As determined appropriate by the Lottery, the following are the conditions under which Contractor may obtain relief from the continued assessment of liquidated damages that have been imposed. Except as waived in writing by the Lottery, no liquidated damages imposed shall be terminated or suspended until Contractor issues a written notice verifying the correction of the condition(s) for which liquidated damages were imposed, and all corrections have been subjected to System testing or other verification at the discretion of the Lottery.

U.3 Conditions for Termination of Liquidated Damages

If any portion of the liquidated damages provisions is determined to be unenforceable in one or more applications, that portion remains in effect in all applications not determined to be invalid and is severable from the invalid applications. If any portion of the liquidated damages provisions is determined to be unenforceable, the other provision or provisions shall remain in full force and effect.

EE.4 Waivers of Liquidated Damages

It is expressly agreed that the waiver of any liquidated damages due the Lottery shall constitute a waiver only as to such liquidated damages and not a waiver of any future liquidated damages. Failure to assess liquidated damages or to demand payment of liquidated damages within any period of time shall not constitute a waiver of such claim by the Lottery.

EE.5 Payment of Liquidated Damages

All assessed liquidated damages will be deducted from any monies owed to Contractor by the Lottery and, in the event the amount due Contractor is not sufficient to satisfy the amount of the liquidated damages, Contractor shall pay the balance to the Lottery within thirty (30) calendar Days of written notification by the Lottery. If the amount due is not paid in full, the balance will be deducted from subsequent payments owed to Contractor by the Lottery.

EE.6 Applicability of Liquidated Damages

Contractor shall not be required to pay liquidated damages for delays solely due to matters as enumerated in the section entitled “Force Majeure”, or for time delays caused solely or approved by, the Lottery.

EE.7 Timely and Accurate Delivery of Instant/Scratch Tickets

Condition

Contractor shall deliver all instant/scratch ticket packages within 36 hours from being picked up.

Damages

The Lottery may impose liquidated damages up to one hundred dollars (\$100) per Day per package if delivery has not occurred within 36 hours.
